ARMSTRONG PARK CLEANUP SCHEDULE

Throughout the season, teams are assigned a park cleanup date to help keep the park free of trash and debris. Coaches will communicate exact dates/times, but teams are otherwise assigned a specific weekend to ensure the fields are ready for the following week's games. Tasks include:

- Emptying trash cans and replacing with new liners
- Trash pickup around park (fields, parking lot, playground, etc.)
- Tidying bathrooms and resupplying toiletries, refilling soap, etc.
