GENERAL GUIDELINES APPLICABLE FOR ALL EVENTS

I. Seasons

- Indoor Friendship & Jamboree Season will run from September 1st to December 31st preceding the Indoor Competitive Season (refer to items IV and V for specific details)
- Indoor Competitive Season will run from January 1st through the end of the USAV Junior National Championships (refer to item IV for specific details).

II. Sanctioning a USAV Event

The process to obtain a sanction for an event begins by obtaining USAV membership. Sanctions can only be issued to USAV members. The next step is to submit a tournament sanction request. Lastly, assigning a sanction number to an event by the Operations Director of the region completes the process. Once the sanction is assigned, the tournament will be posted on the region website and the host can hold the event.

The Operations Director will work with potential hosts to provide a schedule that is balanced, both by age divisions offered and by geography. There will not be a priority criterion in approving sanctions. All hosts will have equal opportunity to run their events.

The Application for Sanction form can be submitted on the region web site at:

<https://pugetsoundregion.sportngin.com/register/form/227869768>

Application for Sanction form must be complete and accompanied by the appropriate fee:

- Adult tournament sanction fee is \$20.00 per division.
- Junior girls tournament sanction fee is \$20.00 per age/playing level division. (Example: if you are running separate U14 D1 and U14 D2 divisions in the same event, the total sanction fee would be \$40.00)
- Junior boys tournament sanction fee is \$10.00 per age/playing level division. (Example: if you are running separate U14 D1 and U14 D2 divisions in the same event, the total sanction fee would be \$20.00)
- All fees are payable to PSR and must accompany the application for the sanction to be considered.

Deadlines:

- Adults: Sanction form, Tournament Director Code of Conduct, and the appropriate fee(s), should be received at least 30 days from the proposed event date.
- Junior Girls and Boys: There are no longer priority considerations nor deadlines for submissions. Once the Tournament Director Code of Conduct, the Sanction request and the appropriate fee(s) are submitted, the Region will post the event on the schedule.

III. Sanctioned Tournaments

- Sanction means the host has properly requested a tournament to be sanctioned and the region has approved the tournament format, venue, and host.
- All participants must be USAV members to participate in a USAV sanctioned event.
- Properly sanctioned tournaments are covered by USAV liability insurance.

- Foreign participants who are in good standing with their national association may participate in all PSR region sanctioned events except the PSR Junior Regional Championships/Bid Tournament.

IV. Indoor Friendship Tournaments

Indoor friendship tournaments will be sanctioned in the same manner as indoor competitive events.

Friendship tournaments do not require uniforms, day officials, specific format, or results reporting.

The host is responsible to verify all players are current USAV members and all coaches are current USAV members, background screened, and SafeSport trained. At the end of the event the tournament host must submit the following items to the region office within three business days. This data is necessary for insurance purposes and failure to submit these items may result in USAV insurance not providing coverage for an incident:

- A list of teams
- A roster of each team's participants.
 - Roster must include all coaches and players
 - Each member's USAV membership number
- All scoresheets used during the tournament

V. Indoor Jamboree Events

Indoor Jamboree Events will coincide with the Indoor Friendship season and do not require a tournament sanction application. A jamboree is an internal club event used to assist with officiating training. Two clubs may combine to create a more cohesive training event. The host will not be permitted to collect team entry fees; however, clubs may share the cost of the gym rental. The host is responsible to verify all players are current USAV members and all coaches are current USAV members, background screened, and SafeSport trained. We highly recommend the host keep a list of all participants for each event in the event of an injury or an insurance claim is processed.

VI. Indoor Scrimmages

A scrimmage may occur at any time during the USA Volleyball season. A scrimmage is an internal club event which coincides with a team practice and does not require a tournament sanction application. More than one club may participate in a scrimmage. A scrimmage does not require uniforms, day officials, results reporting, and will not include playoff bracket. The host will not be permitted to collect team entry fees; however, clubs may share the cost of the gym rental. The host is responsible to verify all players are current USAV members and all coaches are current USAV members, background screened, and SafeSport trained. We highly recommend the host keep a list of all participants for each event in the event of an injury or an insurance claim is processed.

VII. Rosters

Team rosters are the official record of participants in sanctioned events. **Only rosters that are generated from Sports Engine, the USAV MMS system, will be accepted for Puget Sound**

Region teams to participate in a PSR sanctioned tournament. Members cannot be placed on a roster until all the registration process is complete, all fees received, and background screens cleared. Rosters from other regions must also be generated from the USAV MMS system.

- Rosters must be provided by a rostered adult coach to the tournament director **BEFORE** a team is allowed to begin timed warm-ups for their **FIRST** match. A rostered adult coach for each team is required to verify and sign the roster. **The only written correction allowed is to alter jersey numbers.**
 - To avoid delaying the tournament, a cell phone photograph of the roster may be used to temporarily verify a team is present. A team must present a **PRINTED** roster before their second match to continue play in the tournament. **If a printed roster is not provided the team will forfeit the remainder of the scheduled matches.**
- It is the primary responsibility of the Tournament Director to collect and verify the legality of all rosters. The Day Official may assist with this duty as needed.
 - Immediately following the coaches meeting, the Tournament Director will check the ID (driver's license or government issued ID) of ALL rostered adults
 - If a rostered adult is not present or identity is not verified, the tournament director will line them off the roster (if not already done so by the rostered adult coach)
 - The tournament director and/or Day Official will visually verify, during the warm-ups of the first scheduled playing appearance, each rostered player
 - If a rostered player is not present the tournament director or day official will line them off the roster (if not already done so by the rostered adult coach)
 - If a player present is not on the roster, the player will be removed from the field of play (bench and court). The head coach may contact the club director and attempt to add the player to the roster through the USAV online system. The player will be allowed to return to the field of play (court and bench) **ONCE** a new **printed roster** is provided to the tournament director for re-verification.
- Rosters must be maintained at the tournament desk area. **Do not** post rosters on the wall.
 - In the case of multiple sites, every effort will be made to have a roster available at site where team is playing.
 - All rosters for the event may be maintained at the head site for each division.
- **The only staff allowed to be on the bench at PSR events are Head Coaches and Assistant Coaches. Team Reps, Chaperones, Managers, Statisticians, Officials, Conditioning Coaches, Athletic Trainers or other club junior athletes are not allowed to be on the bench.**

VIII. Foreign Team Participation

All foreign team participation must be coordinated with the Region office prior to the event.

Foreign teams must follow procedures outlined on the PSRVB website:

<https://www.psrvb.org/foreign-team-participation-proc>

Tournament hosts or site directors should verify the head coach has the following documents in their possession at check-in:

- Foreign Team Participation form
- Medical release forms for each minor
- Proof of age for each athlete

NOTE: If the documents are not available contact the region office before allowing the team to compete.

IX. Uniform Requirements

Uniform requirements are in the current Indoor Rules Book. Numbers must be clear and contrasting to the jersey and be centered, 4" in front and 6" in back (or larger). The libero must also wear a numbered jersey and have a contrasting uniform top. For PSR play, shorts/bottoms must be very similar and of the same color for the entire team.

For boys playing on junior girls teams, the jersey should be of the same color as that of the female players, but does not have to be the same cut and style. The shorts should be the same color as that of the female players.

X. Boys Playing on Girls Teams

Boys who are in a U14 or younger age group are allowed to play on a girls team subject to the following restrictions:

- The boy meets the age requirement for the team.
- No more than three boys on any given roster.
- No more than two boys on the court at any given time.
- Uniform requirement for boys on girls' teams: same color shirt/jersey and shorts as the teams' jerseys and spandex.
- A U14 & younger boy may play in an older age group on a girls team.
- Boys are not allowed to compete on girls teams in qualifying events.
- If competing outside the Puget Sound Region contact the local tournament director for approval.

XI. Playing with Less Than 6 Players

- For events sanctioned by PSR, not including the PSR Bid divisions at the Regional Championships, a team may play with 5 players up to and including the 1st round of bracket play. For every set the team plays in pool play, when the missing spot rotates to the serving position it will be an automatic side out for the opponent.
- If a sixth player arrives in the middle of a set, the player must wait to play until the beginning of the next set.
- After pool play, the team must be seeded into the lowest playoff bracket as their pool's last seed.
- Regardless of the result of their first playoff match, the five-player team is considered the loser of that match and must officiate the next round of playoffs.
- Teams may not play with less than 6 players in the Bid divisions at the Regional Championships.

XII. Officiating Requirements

The Operations Director will work with the PSR Assigner of Officials to ensure that officials are assigned to each event. The host has the responsibility of notifying the Operations Director, and the PSR Assigner of Officials, if any circumstance may lead to a change in the number of officials needed for an event, or the times they are needed changes.

- A minimum of one Day Official is required per event.
- If hosting multiple age/club divisions at a site, an additional official per age/club division will be required for playoffs.
- If hosting one event at multiple locations, an additional Day Official will be required per site.
- Payment for Day Official will be based on the assigned officials USAV ranking. At a minimum, Day Officials should be paid the rates listed below. The official must be paid before departing the site:

Provisional	\$160	National	\$205
Regional	\$175	International	\$220
Junior National	\$190		

- Payment for additional official for playoffs will be paid on a per match basis (see fee listings below).
- Any events that require a certified USAV official for each match will reimburse each official a minimum of the following amounts per match format. The official must be paid before departing the site:

Match Official (2/2 or 2/3)

Provisional	\$32
Regional	\$34
Junior National	\$36
National	\$38
International	\$40

Match Official (2/2 or 2/3)

Provisional	\$38.50
Regional	\$41
Junior National	\$43.50
National	\$46
International	\$48.50

XIII. Work Team Officiating Requirements

All teams are required to supply up to 7 people for officiating duties per match, as scheduled. All coaches, or other rostered adults serving as team officials, must have completed regional certification for both officiating and scorekeeping.

****Coaches and/or players may be needed to serve as R1s in the event a region official is not provided****

U14 & under Players (no matter which age division they play)

- A minimum of 4 players from each team must complete the standard online Junior Player Officiating Training
- Certified players may serve as scorer or R2
- A certified coach or certified parent must be R1 for ALL matches

- Parents may complete the online Coach Officiating Training to serve as R1, R2, scorer, or sit at the scorer's table to assist players
 - Parent must have a current USAV Adult with Safety Requirements membership
 - Parent must complete the USAV background screening
 - Parent must complete USAV SafeSport course
- A certified USAV adult must be at the table at all times (ex: coach, assistant coach, parent)
 - A certified U16 or older player within the club (or a sibling in another club) may sit at the table provided the team's coach is court side serving in some other capacity.

U15 Players

- A minimum of 4 players from each team must complete the standard online Junior Player Officiating Training
- Certified players may serve as R1 during pool play, provided a coach serves as the R2
- Certified coaches must be R1 for all bracket or cross-over matches, a certified player may serve as R2 during these matches

U16 & older Players

- A minimum of 4 players from each team must complete the standard online Junior Player Officiating Training
- Certified players may serve as R1 and/or R2 for all matches (pool play & bracket or cross-over matches)
- Certified coaches must be at the scorer's table if players serve as both R1 & R2 during a set/match

Coaches

- All coaches must complete the online Coach Officiating Training
- All coaches must have a current USAV membership
- All coaches must have a current USAV Background Screening
- All coaches must complete the USAV SafeSport course
- All coaches must complete the USAV IMPACT course or be CAP certified

The assigned work team is required to provide the following: the R1 and/or R2 depending on the division, 1 official scorekeeper, 1 score flipper, 1 libero tracker, and 2 lines persons. Failure to fulfill an officiating assignment, including having a coach courtside, will result in penalty of a point per minute that the team is not in compliance of their officiating duties, up to a limit of 25. The clock will begin with the start of the receiving team's 4 minutes of warm up time. The penalty will be assessed in the officiating team's next competitive match, but no more than 25 points will be awarded to their opponent, even if a team misses their entire officiating assignment.

XIV. Protest Process

All protests are to be handled by the protest committee at the time of protest. Protests must happen prior to the next serve. If a protest situation occurs at the end of a set, then the protest must happen within three minutes of the conclusion of the set. All protests must follow the procedure outlined in the current Domestic Competition Regulations.

The protest committee should be the Tournament Director, the Day Official and any other official not involved in the protested match. If such an official is not available, a qualified coach that is not involved in the protest may be designated by the Tournament Director. If the Day Official is involved in the match being protested, and no other official is available, a second qualified coach may replace the Day Official on the committee.

XV. Prizes

Prizes are required for 1st place in the Championship Bracket and recommended for 1st place in the Consolation Bracket. Prizes are also recommended for second place in the Championship Bracket. Other prizes are at the discretion of each host.

XVI. Seeding for Tournaments

Tournament Directors will seed teams into their event based on the team's present standing in the PSR Power League. Teams that do not participate in the PSR Power League, as well as out of region teams, will be seeded into events at the discretion of each Tournament Director. Seeding in events that occur before the first PSR Power League play date will also be at the discretion of each Tournament Director.

XVII. Event Timing

Matches shall begin 10 minutes following the conclusion of the previous match. **Warm ups are 2-4-4 and begin after the coin flip has been completed.** Once the captains' meeting has taken place, warm up will be 2 minutes of shared court, 4 minutes court time for the serving team, then 4 minutes court time for the receiving team. Serving needs to be done during your four minutes. Matches will run ahead of schedule if possible. Teams competing for the first time each day will start their matches no earlier than the scheduled time.

A forfeit for the first game in a match will be declared following the conclusion of the timed warm ups for that match. A forfeit for the second game in a match will take place 15 minutes after the forfeit of the first game. In pools where teams are playing 3 guaranteed games, forfeit for the third game will take place 15 minutes after the forfeit of the second game.

For events not hosted by PSR the host may determine whether to wait, to reformat the tournament, or forfeit all games. If the host reformats the tournament, in no case will another team be placed in an adverse position.

XVIII. Cancelling an Event

Each year we have some events that end up being cancelled. Sanction fees paid for any approved event that cancels are not refundable or transferrable.

If you are a host that needs to cancel an event, you must contact the following, at least 48 hours prior to the event date:

1. All the teams that were entered to participate
2. The region office at 425-673-4103 or office@psrvb.org
3. The PSR Operations Director, Dragan Karadzic at 206-291-8977 or dragan@psrvb.org
4. The PSR Assignor of Officials, Robyn Filimaua at 425-343-9987 or psrofficialsassignor@gmail.com

If the cancelation notification is not completed properly or on time, and the Day Official shows up at the cancelled event, the host will still be responsible with paying the Day Official. The payment will be a reduced rate of \$75.00 to cover the officials time and transportation costs.

XIX. Admission Charge

There will be a gate fee for play hosted by PSR, not to exceed \$5 per day. Children 10 or younger and Senior Citizens 65 or older will not be charged the gate fee. Current PSR/USAV members are also exempt from paying the gate fee, provided they show proof of current membership.

Tournament hosts may charge a gate fee for USAV club-hosted tournaments. The gate fee is at the discretion of the host.

XX. Facility Guidelines

Whether signs are posted or not, the region has a policy that all members and their supporters shall have no food, food containers, or flavored drinks in the gyms. Individual Tournament Directors and/or Site Managers have the right to amend this if their gym allows food, etc. Such a revised policy must be announced at the pre-tournament coaches meeting.

The policy has been expanded to deny any crock pots, other electric cooking devices of any kind, as well as outside barbeque appliances at any sanctioned venue.

Any outdoor portable structure such as a gazebo, canopy or tent erected for the specific team's use must be located outside of any fire lane or restricted parking space. Individual tournament hosts do have the right to ban food tables and/or other team set ups at their own discretion.

Penalties for violating the food in facilities policy, when attending PSR hosted events, are:

- 1st infraction: Verbal warning
- 2nd infraction: Point penalty in the next game they play -- 13-point penalty for games 1 or 2, 8 points for game 3
- 3rd infraction: Disqualification from tournament
- Clubs may also be subject to a \$100 fine from the region

Specific site information is available at: <https://www.psrvb.org/facility-info>

XXI. Unattended Children Policy:

Due to the conditions and liability potentials that exist at USAV Puget Sound Region sanctioned events, tournaments are not a suitable environment for unsupervised children.

- Children of adult players at events must have a non-participating supervisor at all times.
- Children of coaches at junior's events must have a non-participating supervisor at all times.
- Supervisors of these children must abide by and see that all children abide by all rules and regulations of the facility and grounds of the sanctioned event.
- The children and their supervisors must respect the direction of the Site Director, Tournament Director and Day Official at the sanctioned event.
- In the event that children at the event are not supervised properly, then the parent may be asked to take the children and leave the event.
 - If this leaves an adult team without enough players or a junior team without an IMPACT certified coach, the team will be declared in default.
- It will be the sole discretion of the Site Director, or the Tournament Director when a Site Director is not present, to determine whether actions of the children warrant removal from the event.

XXII. Pet Policy

The Puget Sound Region does not allow pets in any venues where regionally certified events are being conducted, regardless of the venue policy. Individuals who bring their pets to Puget Sound Region sanctioned events will not be allowed in the facility.

Service animals in places of public accommodation

RCW 49.60.215 prohibits discrimination in a place of public accommodation due to the "use of a trained dog guide or service animal by a disabled person." WAC 162-26-130 requires "fair service in a place of public accommodation regardless of the use of a trained dog guide or service animal by a disabled person as well as because of the disability itself."

Service animals must be allowed into all areas of a place of public accommodation where the general public is allowed – this includes dining and eating areas, restrooms, and areas where food is sold. A place of public accommodation cannot request that the service animal be removed unless it creates a risk of harm. This risk must be actual and cannot be speculative or based on a fear of dogs. In addition, if an animal exhibits disruptive, poor or unsanitary behavior, it would not be considered a trained service animal, and can be removed.

Questions a business can ask:

First a business can ask if the animal is a pet. If the animal is a pet, the business can exclude the animal. If the handler answers that the animal is a service animal, the business can proceed to a second question

Second, the business can ask a task or training question, such as, "What is this animal trained to do for you?" The answer to this question will determine if the business needs to allow the animal or if it can exclude the animal.

- If the handler refuses to answer, the animal can be excluded.
- If the handler discloses their disability but refuses to disclose what the animal is trained to do for them, the animal can be excluded.
- If the handler provides documentation or certification that the animal is a service

animal, but neither the documentation nor the handler can explain what the animal is trained to do, the business can exclude the animal. (There is no state or federal service animal registry or certification process, so such documentation has no legal meaning and is often purchased on the Internet.) 4 Service animals October 2013

- If the handler answers only that the animal can sit, stay, lie down, come when called, or do something else related to obedience and good manners, this does not indicate the animal is trained to provide services for a disability, and the animal can be excluded.
- If the handler answers that the animal makes them feel better, helps them calm down, eases their depression, or something similar, this would indicate that it is the animal's presence alone that helps the handler, and that the animal is not trained to do a task or provide a service. Because the animal does not meet the training requirement, the business can exclude the animal.
- If the handler answers that the animal is trained to guide them, help with balance or mobility, alert them to a condition (either physical or situational), pick up or carry items, remind them to take medication, get help, stabilize them during a seizure, redirect their attention from a trigger, or do some other task or provide some service that the person is unable to do themselves or helps with a disability, then the animal is a trained service and must be allowed.

XXIII. Guidelines for Addressing Inappropriate Spectator Conduct

The Puget Sound Region has experienced unruly and unsportsmanlike behavior by spectators at volleyball matches during past seasons. The following region guidelines will be used at all PSR Sanctioned Events. This message is to ALL spectators such behavior will not be tolerated.

These guidelines call for the work team to recognize issues with troublesome spectators. However, it will be a cooperative effort by the work team, the Lead/Day Official, and the Tournament/Site Director to fully resolve any problems. Additionally, we have directed work teams, Lead/Day Officials, and the Tournament/Site Director to call on captains and coaches to not only be responsible for the conduct of their teams as required in the USAV rules, but also to accept responsibility for the behavior of their fans. Tournament/Site Directors are ultimately responsible to ensure appropriate decorum by spectators is maintained throughout the course of the tournament.

ANY PHYSICAL VIOLENCE IMMEDIATELY GO TO TIER 3

Tier 1 – Verbal Warning (Work team, Lead/Day Official, or Tournament/Site Director)

As the work team for a match, you should monitor the activities of the spectators. Enthusiastic support for the play is encouraged. Derogatory remarks about athletes, coaches and officials are to be discouraged. Profane language or gestures or aggressive behavior is not to be tolerated.

Proceed with the following actions:

1. Work team stop the match (usually the R1).
2. Call the second referee (R2) to the stand and discuss the verbal warning which needs to be relayed about the troublesome spectator(s).

3. Ask R2 to have someone bring the Lead/Day Official or Tournament/Site Director to the court.
3. Once the Lead/Day Official or Tournament/Site Director arrives request s/he give the coaches the necessary verbal warning which needs to be issued.
4. Coaches will be allowed a moment to address the inappropriate behavior. If either coach is unable, for whatever reason, to give the warning, the Lead/Day Official or Tournament/Site Director will give the warning.
5. Continue play.

After the warning has been issued, the Lead/Day Official or Tournament/Site Director should remain court-side and observe the troublesome spectator. They should bring a Conduct Situation Form in case the bad behavior does not stop. The Lead/Day Official or Tournament/Site Director should remain at the court and observe the behavior of the spectators, teams, and officials until the match ends or the work team agrees the situation is under control. If spectators do not comply with the verbal warning move to Tier 2.

Tier 2 –Tournament/Site Director Addresses and Documents Situation

If any work team, Lead/Day Official, or Tournament/Site Director believe the problems which initiated Tier 1 are continuing, the Tournament Director will request the individual to remove themselves from the court, warn them their behavior is inappropriate and collect the detailed information to complete the Conduct Situation Form. If the troublesome spectator fails to comply, move to Tier 3.

Fines may be assessed to the affiliated club whose individual(s), including parents, friends, and relatives, violate the Spectator/Parent Code of Conduct. Fines could range from \$200.00 - \$500.00 depending on the violation.

Tier 3 – Expulsion and Contact Authorities

1. Spectator's Invitation to attend the event will be revoked and individual will be asked to leave the facility immediately. If spectator refuses to leave, contact the authorities (911).

2. Any type of physical violence immediately contact the authorities (911)

Final Reporting

Any violation which escalated to the Tier 2 or Tier 3 Level must be reported to the region office when the final results are sent. Tournament/Site Directors will fill out the Conduct Situation Form with as much detail as possible. Should there be any situation which needs to be reported immediately, contact Robyn Buck (253) 348-7439, Dragan Karadzic (206) 291-8977, Robyn Williams (210) 286-6770, or Cindy Compoc (850) 890-6812.

POWER LEAGUE

I. Objectives and Structure

In 2007, The Puget Sound Region initiated a linear ranking tournament series to be played at various sites within the region. This tournament series is used to rank teams within each age

division and will provide qualifying and seeding methods for the PSR Junior Regional Championships/Bid Tournament.

The tournament series will be held on five days spread over five separate weekends with, ideally, the first two days in January, and one additional date each in February, March, and April. The first January date will consist of seeding rounds, while the second January date will be the initial point scoring date. Playing dates in February, March, and April will also have points awarded to each team based on their finish. Thus, a total of four point scoring dates will be included in the final league standings.

Teams will be required to enter all five days. Missing a play date may result in a financial penalty. This policy is detailed further in the manual.

Points will be awarded for each placement from top to bottom and will increase in value each subsequent date (the point system format is listed at the end of this document). The total number of points earned over the four point scoring dates will determine overall league standings.

After the conclusion of the seeding portion on the first play day, teams will be placed into flights consisting of pool and playoff bracket play. Most of the flights will consist of 8 teams, although, based on the specific number of teams in each age division, there may be flights of 5, 6 and 7 teams. In most flights, the top three finishers will move up a flight while the bottom three finishers will drop down a flight.

Teams must participate in the league in order to be accepted into the PSR Junior Regional Championships/Bid Tournament.

II. Structural Parameters

- **Seeding Day:** Seeding day will be played in pre-seeded fields of 16 teams. The bottom 4 teams in a group of 16 will drop a flight and the top 4 will move up a flight, while finishers 5 through 12 will play a crossover match for final flight placement. Specific numbers in an age division may result in not all fields having 16 teams and the Operations Director will make necessary adjustments. Regardless of the number of teams in a field, all teams will have the opportunity to move up during the seeding day. The seeding will be done by a seeding committee put together by the Operations Director.
- **Self-selection into D1 & D2 for the U14 age group:** Teams may self-select into Division 1 or Division 2 for the U14 seeding day. **You must designate your division choice on the seeding form.** Following the seeding day, the two divisions will be blended into one league, with the teams in Division 2 following the Division 1 teams in the standings.

The benefit here is that if you have a team that, due to its youth and/or experience, cannot compete with the top half of the league, they will be playing against teams more of their own caliber from the outset.

III. Age Divisions

The tournament series will be played in five age groups, U18, U16, U15, U14 and U12. The U13 and U17 odd age groups will play up with the next older age division. All teams that apply by the deadline will be accepted into the league.

IV. Entry Fees & Refund Policy

- Entry fee of \$1150 per team covers 5 days of competition (seeding day plus 4 point scoring days).
- Refund policy – Teams that pull out before the Payment Deadline date for their age division will receive their full entry fee back minus the electronic payment service fee. Teams that pull out after the Payment Deadline date but before 12/30/2022 will receive their full entry fee minus a \$100 administrative fee and minus the electronic payment service fee. Teams that pull out after 12/30/2022 will not receive any part of their entry fee back.

V. Financial Penalty for Missing a Play Date

Teams that choose not to participate in a Power League play date, in order to participate in another event, will be fined \$150 per tournament date missed. They must also pay a \$100 reinstatement fee in order to participate in the next Power League date. If a team cannot participate, due to reasons other than playing in another event, they will only pay a \$100 reinstatement fee. If the date missed is the final league day, the above fines must be paid prior to participating in any PSR hosted event, including the PSR Junior Regional Championships/Bid Tournament.

The only exception to the above is if a team misses a PL date to play in a USAV National Qualifier. It has become nearly impossible for the league to not overlap with the USAV national qualifiers due to the growth of such events. Many of the qualifiers have added a third or fourth weekend to accommodate this growth.

Teams that miss a play date will be considered as the bottom finishing team in the flight they were scheduled to participate in. If more than one team in a flight is missing, they will all receive the bottom place point value.

VI. Only First Two Point Scoring Dates Used for PSR U18 Bid Tourney

USA Volleyball has moved all divisions of the U18 girls' junior national championship to a spring date. In order to have our representative decided in time, the PSR U18 Regional Championships/Bid Tournament will be played following the 2nd U18 point scoring play date.

JUNIOR REGIONAL CHAMPIONSHIPS/BID TOURNAMENT

Starting with the 2020/21 season, the PSR Junior Regional Championships (JRC) will also serve as the Bid Tournament for all ages.

I. Objectives and Structure

The objective of the PSR Junior Regional Championships (JRC) is to allow teams the opportunity to compete against other teams of comparable ability. The top Division in each age

group will also identify which teams will represent PSR at the Girls Junior National Championships. The parameters used to create the sizes of the divisions are:

- Each division will not be smaller than 12 teams, unless a late drop creates such a situation
- In an age group that reaches 24 entries, a second division will be added
- In an age group where there are multiple divisions, the top (Bid Division) will not be larger than 16 teams based on the overall size of the entire field
- The sizes of multiple divisions will be guided by the number of teams entered, format considerations and court availability, however the minimum size for all divisions will be 12 and the maximum 24

II. Waivered Player Eligibility/Boys Eligibility

Players that have received age waivers from the region **may not** participate in Bid Divisions but may play in Divisions not offering a Bid. Players may not participate in more than one age classification of the JRC. Boys are not allowed to participate in the Bid Division of a girls JRC. If a team is found to have violated these parameters, any bid offer they might have earned will be rescinded.

III. Divisional Schedules and Flow Charts

Team fields, locations, and starting times will be published as early as possible. However, due to the potential of late drops, full schedules will not be published earlier than the Wednesday of the week prior to the PSR JRC.

IV. General Play Format – U18 Division

In the U18 age division, teams will be playing a minimum of two rounds of pool play. The first round of pool play will seed you into the subsequent round(s) of pool play. Following the final round of pool play, teams will play in post pool competition for final placement in their division. Post pool competition will consist of either a crossover match or a playoff bracket. In some cases, a third round of pool play will replace the playoff bracket. In all formats, the objective will be to guarantee all teams a minimum of 7 matches over the course of 2 days.

V. General Play Format – U12 through U17 Divisions

Teams will play one round of pool play on Day 1. On Day 2, teams will be placed into playoff brackets. All teams will be guaranteed a minimum of 5 matches, with most teams playing 6.

VI. Refund and Withdrawal Policy

A team that withdraws two weeks prior to the start of the PSR JRC will receive their entry fee back, minus \$100. The required format for notification of withdrawal is an e-mail sent to the region office. Teams that withdraw after the above stated deadline, but at least one week prior to the event will receive only \$100 of their entry fee back. Teams that withdraw less than one week before the event or that do not show up will not receive any refund.

VII. Seeding

Seeding for the tournament will be based on final standings of the PSR Power League. Teams that played up in an age division (i.e. U15s in the U16s) and therefore do not have a league

ranking in their specific age division, will be seeded based on their season results. The seeding will be done by a seeding committee put together by the Operations Director.

Such teams that need to be seeded into the field are responsible for entering their season results into AES.

VIII. Officiating

The region will attempt to provide R1 officials for all the divisions. If a division does not have an official assigned to every match, the team scheduled to officiate will need to provide an R1. In such cases, the R1 must be a **qualified adult or JRP** who has received current regional officiating training; the TD may request proof of membership and training if member is not on roster. This individual will **NOT** be financially compensated for matches officiated.

In matches where a region-scheduled official is serving as R1, it is preferable, but not required, that the R2 be a qualified adult or JRP who has current officiating training. If a junior player is serving as R2, the player must be certified to officiate. **Either way, for each and every match, a coach must be courtside when their team is officiating.**

The assigned work team is required to provide the following: 1 official scorekeeper, 1 score flipper, 1 libero tracker, and 2 lines persons.

Failure to fulfill an officiating assignment, including having a coach courtside, will result in penalty of a point per minute that the team is not in compliance of their officiating duties, up to a limit of 25. The clock will begin with the start of the receiving team's 4 minutes of warm up time. The penalty will be assessed in the officiating team's next competitive match, but no more than 25 points will be awarded to their opponent, even if a team misses their entire officiating assignment.

BID DIVISION TOURNAMENTS

REGIONAL BIDS AVAILABLE TO PSR TEAMS

GJNC Growth

In 2022 USAV added two new Divisions to the GJNC. The Liberty Division will offer two bids at each National Qualifier for ages U13-U18. The Freedom Division will offer bids through the Regions, using the same formula as is used for the National Division, and will be available in U14-U18 age groups.

In addition, a 24 team U12 USA Division has been added, and the U13 USA Division has expanded to 36 teams. All USA bids will still be given out at National Qualifier competitions.

The Division order of strength will be as follows:

Open (U13-U18) – Qualifiers only

National (U11-U18) – Regions only (U11 & U12 will have 1 bid at Qualifiers)

USA (U12-U18) – Qualifiers only
Liberty (U13-U18) – Qualifiers only
American (U12-U18) – Qualifiers & Regions
Freedom (U14-U18) – Regions only
Patriot (U13-U18) – Non-Qualifying

I. Bid Availability

The following bids to the USAV Girls Junior National Championship will be awarded at the conclusion of the tournament

- U11 – National Bid only
- U12 through U18 – National Bid & American Bid
- U14 through U18 – National Bid, American Bid & Freedom Bid

II. Objectives and Structure

The objective of the PSR Bid Tournament is to identify which teams will represent the PSR at the Junior National Championships. Teams eligible for the Bids to the JNC are those that have met all requirements set forth by USAV and by PSR.

III. Seeding

Seeding for the tournament will be done based on the current **overall** standings in the PSR Power League. Teams that are playing up in an age division in the league, will be seeded by a regional seeding committee. The seeding committee will be formed by the PSR Operations Director.

IV. Waivered Player Eligibility

Players that have received age waivers from the region **may not** participate in the Bid Tournament. Players may not participate in more than one age classification of the Bid Tournament. Boys are not allowed to participate in the girls Bid Tournament. If a team is found to have violated these parameters, any bid offer they might have earned will be rescinded.

V. Officiating

The region will provide R1 officials for all the matches. The R2 must be a qualified adult or JRP who has current officiating training. **A coach must always be courtside when their team is officiating.**

The assigned work team is required to provide the following: the R2, 1 official scorekeeper, 1 score flipper, 1 libero tracker, and 2 lines persons. Failure to fulfill an officiating assignment, including having a coach courtside, will result in penalty of a point per minute that the team is not in compliance of their officiating duties, up to a limit of 25. The clock will begin with the start of the receiving team's 4 minutes of warm up time. The penalty will be assessed in the officiating team's next competitive match, but no more than 25 points will be awarded to their opponent, even if a team misses their entire officiating assignment.

VI. Reallocation Order

PSR may receive additional bids through the USAV reallocation process. In each age division there is a mathematical formula, based on population and growth, which USAV uses in case there are some regions that do not use all their bids.

USAV notifies regions of available reallocation bids in early April for U18s and late April/early May for all other age divisions.

VII. Penalties For Not Using Bids

A team that does not use a GJNC Open bid which it has earned, or a GJNC National, USA or American bid which it has earned and accepted, may be subject to the following penalties:

- If a team earns an Open bid at a NQ, earns and accepts an Open At-Large bid, or earns and accepts a National, USA or American bid (Regional or NQ) and subsequently does not participate in the GJNC, ALL members listed on the Official Event Roster and the Club Director will be suspended from participating in all NQs, Regional Qualification Events, and the GJNC for the remainder of that season and for the following season; and,
- The Club must pay USAV the GJNC entry fee for the team.

If the Club does not pay the GJNC Event Entry Fee, the suspension from competing in qualifying events will remain in force until the fee is paid in full.

VIII. Acceptance Process For Bid Earned Through PSR Bid Tournament

At the end of the PSR Bid Tournament, teams that have finished in a spot that earns them a bid will need to sign a Bid Acceptance letter. This letter needs to be signed on site and turned in to the site tournament director. Failure to do so may jeopardize a team's participation at junior nationals.

IX. Regional Support for Qualified Teams

The region will reimburse the entire entry fee for teams who qualify and compete in the Open division. Teams that qualify in any other division will have half of their USAV JNC entry fee reimbursed. The reimbursement will occur after the team has participated in the USAV JNC tournament.

APPENDIX A – OUTLINE FOR HOSTING AN EVENT

Guidelines for Hosting your own Tournament

1. Request the event be sanctioned using guidelines contained herein.
2. Adhere to the guidelines contained within this handbook.

Request to host a Regional Event

1. Submit the PSR Event Application/Offer to Host form.
2. Adhere to the guidelines contained within this handbook.

Pre-Tournament Duties

Site selection and requirements - the following are general standards that a host facility should meet:

1. Each court should meet minimum USAV standards.
2. The facility must have available restrooms, running water as well as adequate heat and light.
3. The facility should have an adequate height for volleyball (suggest 23 foot minimum).
4. The facility should have adequate clearance around all the courts (suggest 6 feet in all directions).
5. The facility should be able to support a power net system and an officiating stand. Both the net system and the officiating stand should have proper padding.

Publicize the Event and Accept Entries:

1. Upon receiving an entry, immediately notify the club/team entering their status in the tournament (i.e. accepted or on wait list). Some host organizations have their own web sites where entries are listed. The prompt posting of the status of teams entering, or an e-mail notification to each team entering, will be sufficient in fulfilling this requirement.
2. Create wait list in order of entries received.
3. Tournament hosts may accept teams from a lower division (14's in a 16's event, or BB in an A event).
4. A list of accepted teams must be forwarded to the region one week prior to the scheduled tournament date for roster pre-screening/verification.

Staffing the Event

1. Site Director - if one is not provided with the rental of the facility, the Tournament Director will assume these duties.
2. Tournament Director - must be an adult supervisor (over the age of 18) who is not involved either as a player or as a coach in the event. The Tournament Director must also be a current USAV member, have passed the USAV background screening process, completed online SafeSport training, **and must have gone through the PSR Tournament Director training.**
3. Officials - the Operations Director will work with the PSR Assigner of Officials to ensure that the officiating needs for the event are met.

Day of Tournament Duties

A. Facility Setup

Ensure that the facility is set up properly allowing adequate warm-up time for the first round of matches. The facility should be open no less than one hour before the first scheduled match.

1. Include visible scoreboard or flip score cards for all courts.
2. Include tables and a minimum of 3 chairs for scorekeeping personnel for all courts.

B. The following materials may be posted

1. Rosters (will not be posted, but need to be available at the tournament desk)
2. Pool sheets, which include schedule and results
3. Order of play
4. Tournament playoff brackets
5. No food or drink signs if the facility used has such policy
6. Tie-breaking procedures (can be discussed at the coaches meeting)

C. Set up a Tournament Desk where teams may obtain supplies and turn in results

1. Scoresheets
2. Line up sheets
3. Libero tracking sheets
4. Pens and pencils (with erasers)
5. First aid supplies
6. Blank incident report forms

D. Secure prizes and establish procedure for Game Ball selection

1. Provided or “best ball”

Coaches Meeting

1. **The coaches meeting is mandatory.** A rostered adult coach **MUST** attend the coaches meeting, regardless of when the team is scheduled to play.
2. A coaches meeting will be conducted **NO EARLIER THAN** 30 mins prior to the start of the tournament.
3. Cover all tournament issues
 - a. Introduce the staff.
 - b. Discuss ground rules for facility and all the courts, and specify the food and drink ground rules, including the penalty for breaking these rules.
 - c. Give information about first aid, ice availability, restrooms, water, emergency exits and places to store belongings.
 - d. Review pool play and playoff bracket formats including tie-breaking procedures.
 - e. Review warm up times for the tournament. During the tournament, it will be the duty of the officiating team to supervise warm-ups.
 - f. Identify and introduce protest committee.
 - g. Announce pools and invite questions.
 - h. Give directions to start warm-ups and play.
 - i. Collect and verify rosters and check IDs of all the coaches.

Post Tournament Duties

The following duties must be performed in order for the Tournament/Site Director to remain in good standing with the region. The tournament/site director will send the following items to the region electronically within three business days of the conclusion of the hosted event. The host may use Genius Scan app or any other means to provide electronic copies.

1. Rosters of all the participating teams.
2. All completed scoresheets from each day.
3. All completed pool sheets to verify results, if not using AES.
4. The Tournament Directors Report Form must be completed using the PSR website
5. If any USAV incident reports were completed at an event, the host must forward a copy to the region office immediately following the event.

Suggest Tournament Formats for Club/Promoter-Hosted Events

A typical tournament format is pool play followed by single elimination playoffs with the top half of the pool advancing to the championship bracket and the bottom half of the pool playing in the consolation bracket. It may be necessary for a single tournament to use different match formats in different pools.

Example: One 4 team pool and three 3 team pools for a total of 13 teams on 4 courts.

In each case the TD will announce at the captains/coaches meeting the format for each pool as well as the format for playoffs. Tournament Directors are encouraged to contact the Operations Director for guidance and advice on formatting.

Determination of Playoff Teams

1. 50% or more teams must advance to Championship play
2. Guidelines for tie-breaking procedures are listed below
3. Seeding Teams for Playoffs
 - a. One example involves original seeding of the tournament whereby the place a team finishes in pool play determines where they are placed in the bracket.
 - b. Another example involves calculating best finishes of all teams on the basis of
 - i. Matches won and lost
 - ii. Games won and lost
 - iii. Head to head competition
 - iv. Point ratio based on the total round robin competition. Point ratio shall be determined by dividing the total points won by the total points lost.
 - c. In some cases the host will shift seeds in the first round of playoffs to avoid having teams from the same pool play each other in the first round of playoffs. This is allowed as long as it was announced at the Coaches/Captains meeting.

Possible Play Schedules. The following are official formats for PSR sanctioned events. There are several options that can be used. However, the ones listed below are most frequently used by USAV:

4 Team Pool played on one court.

Round	Play	Ref
1	1 vs 3	2
2	2 vs 4	1
3	1 vs 4	3
4	2 vs 3	1
5	3 vs 4	2
6	1 vs 2	4

5 Team Pool played on one court. The drawback is that it will take 10 rounds to complete pool play. This makes for a long day when adding a playoff bracket. And lots of inactivity by two teams each round.

Round	Play	Ref
1	2 vs 5	4
2	3 vs 4	2
3	1 vs 5	3
4	2 vs 3	5
5	1 vs 4	2
6	3 vs 5	1
7	2 vs 4	3
8	1 vs 3	5
9	4 vs 5	1
10	1 vs 2	4

5 Team Pool played on two courts. The drawback is that one team will have to officiate two courts and all of the teams are playing or officiating all 5 rounds. To give the teams some rest time, a lunch break must be included after either round 2 or round 3. A second break can be included following pool play and the start of playoffs.

Round	Court 1	Ref	Court 2	Ref
1	2 vs 5	3	1 vs 4	3
2	3 vs 5	1	2 vs 4	1
Food Break 30 Minutes				
3	1 vs 3	2	4 vs 5	2
4	2 vs 3	4	1 vs 5	4
Food Break 30 minutes				
5	3 vs 4	5	1 vs 2	5

3 Team Pool Format

Round	Play	Ref
1	1 vs 3	2
2	2 vs 3	1
3	1 vs 2	3

Playoff Formats. Single elimination tournaments are most recommend. Contact the PSR Director of Operations for sample playoff brackets.

Tie Breaking Procedures. The USAV tie breaking guidelines are in the Domestic Competition Regulations book. However, since most tournaments are limited in the amount of time that they have the gym available, it is at the discretion of each Tournament Director whether to play off ties or to utilize a tie braking procedure that does not require additional games being played. Either way, it is the Tournament Director's responsibility to clearly define all tie breaking procedures at the coaches/captains meeting.

The standard tie breaking procedure for situations where two or more teams are tied in matches and the event is not playing any tie-breaking games is:

1. Won-Lost result of the matches between the teams. If still tied, then;
2. Overall Set percentage in the pool. If still tied, then;
3. Point ratio based on the total round robin competition. Point ratio shall be determined by dividing the total points won by the total points lost. If still tied, then;
4. A coin toss.

APPENDIX B – POWER LEAGUE FLIGHT FORMATS AND MOVEMENT

In most cases, the top 3 teams will be moving up a flight and the bottom 3 will be moving down. There may be exceptions to this based on flights that have less than 8 teams in them.

Format For Point Scoring Playing Dates

All matches will be 2 out of 3 (25,25,15), no cap, and will start at 0-0. The only exception is a 3-team pool in a 7-team flight, where the 3-team pool will play 3 games guaranteed.

8-Team Flight Format

Following pool play, both pool winners know that they will be moving up and are playing each other for 1st and 2nd in the flight. The two 2nd place teams will play each other with the winner moving up a flight and the loser remaining in that flight. The two 3rd place teams are playing each other with the winner remaining in the flight and the loser moving down a flight. The two fourth place teams both know that they will be moving down and will be playing for 7th and 8th.

7-Team Flight Format

All matches in the pool of 4, as well as all playoff matches, will be the best 2 out of 3 (25,25,15), no cap, score starts at 0-0. The pool of 3 will be playing 3 games guaranteed with all games starting at 0-0 and going to 25 with no cap.

The top half of the playoff bracket will be the same as in 8 team flights. In the bottom half, the last place teams from each pool will play each other and the winner will play against 3rd place from the 4-team pool.

6-Team Flight Format

The 6 team flights will be in 2 pools of 3 teams, and the teams will play a round-robin schedule within their own pool that will serve to seed the playoff bracket. Following pool play, second and third place teams will cross over and play each other. The winner of 2nd in pool A vs 3rd in pool B will then play against 1st in pool B. The winner of 2nd in pool B vs 3rd in pool A will play against 1st in pool A. Losers of the first round of playoffs will play each other for 5th /6th. Losers of the second round will play each other for 3rd/4th while the winners will play each other for 1st/2nd.

Since all teams are involved in every round of play, a lunch break of approximately 30 minutes must be included after round 3. A second food break may be added after the 2nd round of playoffs. The food breaks may be shortened only if all coaches agree.

5-Team Flight Format

The five team flights will be playing in a 5-team pool play round robin, using two courts. There will not be any bracket play since at the conclusion of pool play all team will have played 4 matches, all against different opponents. Standings will be based on overall pool play. Teams in a 5-team flight will need to officiate two courts at the same time. The region will assign USAV certified officials for each court. Since all teams are involved in every round of play, two food breaks of 30 minutes are built into the schedule. The first food break is after

round 2 and the second is after round 4. These breaks may not be longer than 30 minutes. Following the 30 minutes the warmup times for the next round of matches shall begin.

Pool Play Schedules

4-team pools:

Round	Play	Ref
1	1 vs 3	2
2	2 vs 4	1
3	1 vs 4	3
4	2 vs 3	1
5	3 vs 4	2
6	1 vs 2	4

5-team pool playing on two courts:

Round	Court 1	Ref	Court 2	Ref
1	2 vs 5	3	1 vs 4	3
2	3 vs 5	1	2 vs 4	1
Food Break 30 Minutes				
3	1 vs 3	2	4 vs 5	2
4	2 vs 3	4	1 vs 5	4

3-team schedule:

Round	Play	Ref
1	1 vs 3	2
2	2 vs 3	1
3	1 vs 2	3

Schedule for flight of 7 (4 teams in Pool A, 3 teams in Pool B):

Teams in pool B will provide officials for Pool A round 1

Round	Court 1	Ref	Court 2	Ref
1	A1 vs A3	B1	A2 vs A4	B3
2	A1 vs A4	A3	B1 vs B3	B2

Point System For Power League

There will be points awarded for each placement from top to bottom. A premium will be awarded to finishing 1st overall. Also, points will increase each subsequent league date.

32 nd	550.00	687.50	825.00	962.50

These points will be cumulative, and the sum total of all points earned during the four play dates will determine final standings in the league.

APPENDIX C – TIE BREAKING PROCEDURES FOR POWER LEAGUE AND NON BID DIVISIONS OF THE JUNIOR REGIONAL CHAMPIONSHIPS

There will not be any playoff games to break ties in pool play. The following are tie-breaking procedures for power league:

Two teams tied for a position:

Tie breaker will be their head to head match up.

Three teams tied for a position:

If 3 teams are tied in match record, the ties are broken by applying the following steps, in order, **without repeating any step**. Head to head results will not be used at any time in breaking a three-way tie.

1. Determine each team's set percentage (divide each team's total sets won in the pool by the total sets played). The team with the highest set percentage is first.
2. If some, or all, of the teams have the same set percentage, then determine the point percentage of the teams that are still tied. **Divide each team's total points scored in pool play by the total points scored against them by all opponents played.** Of the teams still tied, the team with the highest point percentage has the next highest finish in the pool.
3. If two or more teams are still tied, then a coin toss.

APPENDIX D – TIE BREAKING PROCEDURES FOR BID DIVISIONS IN THE JUNIOR REGIONAL CHAMPIONSHIPS

All two ways ties are always broken by the result of the head to head match up.

Tie breakers games will be played **ONLY** if there are more than two teams tied by match record and **ONLY** if they are in a position to potentially advance and still compete for a bid to Junior Nationals. If there is a tie in a situation where no teams can advance to win a bid, there will be no tie breaking games. All tie breaker games will be one game to 25, no cap, and teams will switch side at 13.

In situations where a 3-way tie occurs and tie breaking games are necessary, no time will be given to any team to be located and return to the facility. It is the responsibility of the teams' administration to be aware of the potential status of their pool finish. If such a situation occurs, the team not present will automatically assume the lowest seed and they will be considered as the losing team in the first tie breaker game. The remaining two teams will then continue with the tie breaking process.

If the team not present to play is subsequently not present to officiate the remaining tie breaker game, they will be sanctioned for missing an officiating assignment. It is the sole discretion of the Site Director to assign officiating responsibilities to cover the remaining tie breaker game.

Tie Breaking Procedures For Pools Advancing to Bid Position

Two teams tied in match record

The higher placed team will be the team that won the pool play match between the two tied teams. The procedure will be used for all two-way ties, even when there is an opportunity to win a bid. The rationale is that the tied teams have already determined the better team through head to head competition.

Three teams tied in match record

There are several situations in which three-way ties can occur. The resolution for each tie breaking situation depends on:

- The number of teams that will advance from a pool.
- Which pool placement finish is at stake for the tied teams?
- For tie breaking purposes, all ties will be broken using match % as the first criteria, including those cases where a third game is played regardless of the outcome of the first two games.

Scenario One:

No of teams advancing	Pool Finish at Stake	Applications
2	First Place	4 team pools: All teams are 2-1 in matches 3 team pools: All teams are 1-1 in matches

- The seeds for the tie breaking playoff will be determined in this order:
 1. Win/loss ratio of the total number of games played in the pool. Thus, games won divided by games played.
 2. Point ratio: Each team's total points scored divided by the total points scored against them in that pool.
 3. Coin toss
- The #1 seed does not have a playoff game. The #1 seed finishes first in pool.
- The #2 seed will play the #3 seed and the #1 seed will officiate. The winner will be second place in the pool and the loser will be third place in the pool.

Scenario Two:

No of teams advancing	Pool Finish at Stake	Applications
2	Second Place	4 team pools: All teams are 1-2 in matches

- All teams will participate in tie breaking games. The seeds for the tie breaking playoffs will be determined in this order:
 1. Win/loss ratio of the total number of games played in the pool. Thus, games won divided by games played.
 2. Point ratio: Each team's total points scored divided by the total points scored against them in that pool.
 3. Coin toss:
- Match #1: The #2 seed will play the #3 seed and the #1 seed will officiate. The loser of game #1 will be fourth place in the pool and will officiate the next tie-breaking game.
- Match #2: The winner of match #1 will play the #1 seed. The winner of this match will be second in the pool and the loser will be third.
