LEAD BLOCK

In a game that should provide some clarity for both squads, this showdown between Class 5A heavyweights will put the Scarlets' 21-game winning streak to the test and take place in front of a full house at the OHS stadium. Bottom line, it is the essence of a statement game between a pair of programs that have set the literal standard of competitive excellence for their level.

NEW SEASON, SAME RESULTS

Despite missing 18 starters from the team that won the Prep Bowl, West has picked up right where it left off last year, out-scoring its first two opponents a combined 72-14, averaging two touchdowns *per quarter* thus far.

CLASS OF THEIR CLASS

The Huskies and Scarlets are No. 1 and No. 2, respectively, in overall winning percentage of all current Class 5A teams since the MSHSL adopted its 7-class formula (9-Man to 6A). OHS has won 83.8% of its games in the span while West has posted an 82.4 winning percentage.

JUST THE FACTS

Mankato West is coached by JJ HELGET...Official team colors are **SCARLET & WHITE**...The school has an MSHSL enrollment of **1,139 STUDENTS** and was **FOUNDED IN 1951**.

SCORCHING SCARLETS BURY TROJANS

Bart Mcaninch tossed four TD passes in the first two quarters and helped the Scarlets build a 35-7 halftime lead against New Prague. Jackson Froderman found the end zone on West's first play and ended with two rushing TDs.

A THOROUGH THRASHING

Owatonna put forth one of its finest defensive efforts in recent memory last week, surrendering less than 50 yards of total offense against Century, 35 of which came on a single rush in the third quarter. They collected five sacks and forced nine punts.
