

# RICK SMOKE VOLUNTEER RECOGNITION

The CJFL is proud to announce **Tim Holden** has been recognized with the CJFL Rick Smoke Volunteer Recognition Award.

“With all the volunteers in the league to be recognized with the Rick Smoke Award is an honour,” said Holden.

Following his playing days, Tim has been a volunteer since 2004 beginning with the Windsor AKO Fratmen and continuing to the present iteration of the team the St. Clair Fratmen. Throughout the years Tim has handled everything from equipment manager, game film coordinator and statistician.

In 2019 he took on a more active role at the Conference level acting as registrar and then this past season in 2021 when one of the Conference Vice-Presidents needed to resign, Tim stepped up again. In addition to his team responsibilities with the Fratmen and registration duties with the Conference Tim took on added responsibilities coordinating the OFC coaching certification, assisted with the new website and even conducted the stats for one of the other OFC teams whose statistician was unable to do them for a particular game.

Tim Holden truly embodies the spirit of the Rick Smoke Award.
