It's National Volunteer Week!

In honor of our 800 currently registered volunteers we put together this little video. Do you see you? Thanks to our volunteers, we have THOUSANDS of happy, active athletes on the fields and in the gyms throughout our community. None of this would be possible without the HUNDREDS of volunteers who commit their time to SYC each year. You're making great things happen and we appreciate you this week and always!

35 Tweets Only Sports Parents Will Understand

There are plenty of great reasons to sign your children up for sports. They'll learn about teamwork, build leadership skills and develop an appreciation for physical activity. But the youth sports world is not always fun for parents.
