

CONCORD NORTHEAST FEE WAIVER GUIDELINES

PURPOSE

The CNE Fee Waiver policy has been established to provide guidelines necessary to allow all youth within our charter boundaries the opportunity to participate in the league.

ELIGIBILITY

Fee waivers will be awarded to a family based on their needs at the time of registration. We ask families to pay as much as they are able to help cover costs associated with league play. However, we will grant full waivers when warranted by the family's financial circumstances (ie: for a child who receives free lunch at school). Families seeking a fee waiver will be asked to submit their request in writing with a brief explanation of their current needs. The decision to grant full and partial fee waivers will be reviewed by the league President, VP, VP of Baseball/Softball, Treasurer, and Registrar.
