

**LACROSSE**

Over the years, Harrison Lacrosse has grown to over 200 families through our Youth, Select, and High School lacrosse programs for our young men and women. There is a rich tradition in our community of supporting our student athletes in their athletic and academic programs.

Harrison High School Lacrosse Booster Club (HHSLBC) is a 501 (c) and supports the program's coaches, referees, field maintenance, equipment, transportation, and player support. HHSLBC is fully funded by the Booster Club and depends on our families, community, and business partners to help raise the necessary funds to run a competitive program each year.

We need your help to support the program and athletes. Below are the Sponsorship Packages available to find the giving level that's right for you.
