Parent Meeting:

- The meeting agenda is as follows:

 - Connectivity
 - Fundraising

Financials:

- Several families have yet to satisfy their club obligations for the season and the board will be forced to pursue remedies and/or suspended activity.
- The club has largely exhausted the donations made for the locker room, with expenses expected to match donations more or less evenly at \$72k.
- The board is exploring the feasibility of establishing and maintaining an endowment to help families who demonstrate need.

IL West:

- The club has incurred a number of fighting suspensions this year and have been singled out for scrutiny by IL West.
- The board will not countenance any fighting on the ice, and any further incidents will be referred directly to the Rules & Ethics committee with club suspensions assured beyond any IL West sanctions.
