

## **Brighton Bulldog Football and Cheer Scholarship Program**

The scholarship program offered by BBFC is an important part of our organization's goal of providing a quality Football/Cheer experience for all that wish to play, even when financial situations make paying fees difficult.

Each season, pending financing and with Board approval, BBFC allots a designated amount of scholarship awards, which are intended to sponsor players in need of financial assistance. *The award will be used to cover standard registration fees only.*

Criteria used to evaluate and ultimately assign scholarship funds will be based on Scholarship Application Requests, the number of requests, and the total funds available for the current season. A Scholarship Application Request is required to be considered eligible for and ultimately awarded the funds. When all requested information has been submitted, the BBFC Board of Directors will review the completed application on behalf of the requesting family. Once a decision is made, all applicants requesting scholarship will be notified.

All information submitted in the process of applying for scholarship will be held in strict confidence by the BBFC Board and will be used only in the decision process for the scholarship award.

We ask that the parent(s) or guardian(s) of the player make a commitment for their child to attend all practices and games and they provide or arrange timely personal transportation for the player. BBFC staff consists of volunteers who have necessary obligations outside of football, as you do, therefore getting your children to and from league functions on time is very important. Additionally, scholarship families will be required to complete additional volunteer time (Dog Duties) for the season or the scholarship and any future playing opportunities may be forfeited.

Scholarships can be used only for BBFC registration fees and are not transferable to any other sport or organization. Incidental team costs and /or required equipment are excluded from scholarship consideration. Partial scholarships may be awarded.

**Scholarship applications must be completed and submitted to BBFC via google form by April 30, 2026. Please reach out to: [bbfcbulldogs26@gmail.com](mailto:bbfcbulldogs26@gmail.com) to receive the form.**

BBFC Board of Directors reserves the right to verify all information contained on the application form in order to grant, deny or revoke any scholarship monies.

Applicants will be notified either by email or phone as to the outcome of their scholarship request.

If approved for a partial scholarship, the remaining program registration fees are due at the time of notification.

*Scholarships will be granted only if funds are available and are at the sole discretion of the Board of Directors.*
