SportsEngine mobile—free for coaches, teams, and families

The SportsEngine mobile app empowers coaches and unites teams with all the information and tools they need to stay on the same page all season long. Best of all, everything is ready to go once you set up your teams for the season.

Once rosters are set, coaches and teams can:

| View up-to-date schedules | Chat and send messages | Recieve notifications | Share photos |

ROBUST TOOLS FOR COACHES AND MANAGERS

Chat with and message families, share photos, check athlete availability, share schedules, and update scores and rosters—anytime, anywhere, for free.

Team Messaging

Keep everyone up-to-date and connected with free team text, live chat, messages, and notifications for coaches, families, athletes, and team managers.

Team Schedules

Add a practice, game, or meeting with all the details. Invite your entire roster or specific athletes all at once.

Personal Event Schedule

Events for multiple teams can be combined on one convenient calendar, giving families with multiple athletes and league admins a quick glance of their entire week.

Availability Tracking

Get RSVPs from athletes for scheduled events—letting coaches know who will be there, and who won't.

Live Scoring

Enter scores in real-time and post results for team followers as soon as they're final.

Rosters

Quickly add individual athletes to rosters and save player data, including photos and stats.

Guardians

Multiple guardians can be added to an athlete's account and can communicate, RSVP, and interact with the team.

Activity Feed

The latest team and organization news, content, and photos are all in one place to keep everyone engaged and up-to-date.
