

Larry Walker

I started my teaching and coaching career in Killdeer, ND in 1981. I ended my teaching career in 2012 when my wife and I retired. While in Killdeer, I was an assistant football coach for 28 years. I was awarded the assistant football coach of the year in 1999.

I was the head wrestling coach for 15 years, the C squad girls basketball coach (really just the box out and conditioning coach), an assistant track coach for 5 years and the head boys track coach for 9 years, coaching shot put and discus the entire time. I was awarded the Class B Boys Track Coach of the Year in 2012.

I have been fortunate enough to coach at Custer Throws Camp, then the Circle of Champions Throws Camp, for over 20 years, the 307 Throws Camp for 8 years, and have been the co-director of the 701 Throws Camp for 6 years.

After retiring from Killdeer, my wife, Nancy and I moved to Grand Forks. I continued with my hobby of coaching throwers. I was able to coach at Hillsboro-Central Valley for 6 years.

In 2018 we moved to Bismarck and I was fortunate to get hired as one of the throws coaches at Century High School. This spring will be my eighth year of coaching at CHS.

Throughout my throws coaching career, I've been blessed with a bunch of good athletes and coaching cohorts. In that time I've had 19 different champions and 82 place winners. Our teams have been in the top five 25 times with 6 championship teams.

My hobby continues to be coaching shot put and discus, hunting and camping.

I still live in Bismarck with my wife Nancy. I have two children. Ross and his family, wife Sarah and kids Riggs, Ryer, and Sloane live in Buffalo, WY. Alyssa and her son, Hudson live in West Fargo.
