

Accessibility for Ontarians with Disabilities Policy

Purpose

The Accessibility for Ontarians with Disabilities Act, 2005 (the AODA) is a provincial act with the purpose of developing, implementing and enforcing accessibility standards in order to achieve accessibility for persons with disabilities with respect to goods, services, facilities, accommodation, employment, buildings, structures and premises.

Under the AODA, Ontario Regulation 429/07 entitled "Accessibility Standards of Customer Service" establishes accessibility standards specific to customer service and the provision of goods and services to the public.

The Oshawa Kicks Soccer Club is required to meet the requirements of accessibility standards established by the AODA. This policy applies to all Oshawa Kicks Soccer Club staff, volunteers and similar parties who deal with the public.

The Oshawa Kicks Soccer Club strives to provide goods and services in a way that respects the dignity and independence of people with disabilities and will use reasonable efforts to ensure its policies, practices and procedures are consistent with the spirit and requirements of the Accessibility Standards for Customer Service.

A person with a disability may provide their own assistive device for the purpose of obtaining, using and benefitting from the Oshawa Kicks Soccer Club goods and services that are made available for the public. For On-field play: Oshawa Kicks Soccer Club will take into account if the assistive devices will pose any risk to the safety of others and devices meet FIFA/OSA regulations.
