

Board of Directors

Washington County Youth Hockey Association

2330 S. Main Street, West Bend, WI 53095

March 10, 2019

WCYHA Members,

I am submitting this letter of intent as I run for Secretary/Registrar in the spring 2019 board elections. I hope you will consider supporting me as a candidate for this position.

My husband James and I have four children who play hockey in the association. Our oldest player, Lily, will be a peewee in the fall. We will also have two squirts, Madelyn and Charlie, and a mite, Violet in the 2019-2020 season. My husband and I have had an active role in the association by helping coach mites and at times stepping in to help at Intro to Hockey or Little Lynx when needed. I also served as the manager for the 10U Ice Lynx team this season. In this role, I helped to run two successful tournaments, including the first ever Girls 10UB State Championships. In this role I have learned to support the WCYHA in many ways.

In my professional career I am an educator for the West Bend School District. In my 20 years working for the district as a coach and teacher I have learned a great deal about leadership, making tough choices, and putting the needs of children at the center of decision making. As an educator, I also have to be able to store, organize, and communicate information, all of which will be essential for the position of secretary and registrar. I have served on countless committees and have had the privilege of being the lead on some of these as well. I feel these experiences have helped me understand how to listen and use information available to make educated decisions about what is best for moving an organization forward in a positive direction.

My roles of coach, educator, and team manager have given me many skills that will help me serve the organization in a positive way as Secretary/Registrar. Please consider voting for me in the April 2019 election.

Thank you,

Jennifer Spors
