"People always told me that my natural ability and good eyesight were the reasons for my success as a hitter. They never talk about the practice, practice, practice."

Ted Williams, "The Greatest Hitter of All Time."

"I was extremely fortunate to get the opportunity to work with Kevin O'Brien in the Cape Cod League. He taught me the fundamentals of hitting and helped me correct all the flaws in my swing. I have used the same swing ever since then with more success than I ever imagined.

During my time with the Yankees and Reds, I've worked with some of the best hitting instructors in the game—Lou Piniella, Chris Chambliss, Tony Pérez, Davey Johnson, and others. I consider Kevin to be as fine a hitting instructor as any I've worked with. He should be coaching at the Major League Level."

*Hal Morris
Director of Pro Scouting, Los Angeles Angels
and Player for NY Yankees and Cincinnati Reds*

"Kevin is extremely knowledgeable about the fundamentals of hitting and has a great approach to bringing out the best qualities in every type and level of player. The most enjoyable aspect for me in working with Kevin was his positive approach and a willingness for hard work. I strongly recommend Kevin as an instructor and even more as a person."

*Todd Haney
Detroit Tigers, Chicago Cubs, University of Texas*
