The Fargo National tournament is considered to be the Largest and Toughest tournament in the country!! Team Indiana represented our state very well on the mats! We had a total of 66 16U wrestlers participate in this tournament finishing 5th Overall in Freestyle and 28th in Greco.

We had an impressive **NINE** 16U Freestyle All-Americans, including 2 Finalists and a NATIONAL CHAMPION. We had several wrestlers make it to the 2nd day of Greco with a number of wrestlers dropping in the blood-round, ending with **TWO** 16U Greco All-Americans.

Our wrestlers competed hard in one of the most grueling tournaments around! Even the wrestlers that didn't reach their goals were offered a great opportunity for growth and will be better people for their willingness to train, prepare and compete in such a tremendous tournament!
