RAHA Board Member Responsibilities

The RAHA Board is a working board. The success of RAHA is incumbent on Board members committing to attending board meetings, serving on committees, and doing work outside of board meetings. Board members are required to serve on and actively participate on multiple committees, in addition to their position on the board. Board members also are required to attend 20 of the 24 monthly meetings during your two- year term, including the tryout meetings in October, as well as regularly attend assigned committee meetings. In addition, board members will be required to use MS Word, Excel and Powerpoint in their positions and be able to use email. And have fun!

Please describe your hockey background and experience:

Our family has been part of RAHA since my first son who played hockey was eight. We have been investing almost 6 months of every year to RAHA for 12 years. Some years we have juggled three different team schedules and all that goes into that...volunteering, tournaments, friendships etc... We love hockey!

Please explain why you wish to become a RAHA Board member:

As you can imagine, having four sons has been a handful to say the least with all the sports they have been involved in. Two of my sons are now adults and are doing great in college and work. I feel I now have the time to invest in RAHA. I understand the commitment involved and would like to give back.

What specific talents/skills would you bring to the RAHA Board?

I am an 8th grade Spanish teacher so I have lots of experience with youth. I have skills in MS Word, Excel and Powerpoint as mentioned above although I prefer Google Drive since I use that at work. For two seasons I have coordinated a Bantam 3-on-3 team at the Pond. I was basically the manager, collecting fees, communicating with team members and parents as well as coordinating the schedules. It was rewarding and successful so I would like to continue to contribute.

Which RAHA Board Position/Committees would you like to get involved with (Equipment, Goalie Coord, Age Level Coord, Operations, Finance, Fundraising, etc)?

I am open but of the ones mentioned I think Equipment or Age Level Coordinator might be a good fit.

Please describe your past experience (volunteer, manager, coach, etc.) within the RAHA:

I have spent many hours volunteering within RAHA. I believe parents gain experience every time you have a child skate from October to March :) I have coordinated coaches and manager gifts and end of season parties in addition to the 3-on-3 teams I have coordinated.

Please describe other board experience, youth program experience, or areas of community involvement:

As I already mentioned, I am a middle school teacher. I have coordinated group trips for my students to the Concordia Language Villages annually. My boys are or have been involved in football, cross country, lacrosse, baseball, swimming and track so I have volunteered for those sports as well. I have also been involved with the youth group at our church.

Please identify any potential areas that may be a conflict of interest with any business or other association you may be associated with and your duties as a RAHA Board member:

No conflicts

Other information you'd like the RAHA Board to consider in reviewing your application:

With 10 openings, it seems like the need for people to step up is great this year.
