Decorations – Susan DeVoe & Mandy Dupont

Discussed ordering the paper for the bodies and keeping the size at 30" x 6'. Vendors have been established on where to print your photos for the bodies. That's all I can report because the rest would give the theme away!

Food truck idea:

Use 1 of the food trucks to have in Commons Area. Snappii's Farmer's Market (it's an App). Offering fresh fruit, veggies, waters, maybe granola bars or granola in cups ?

If you know anyone who works at or with any food establishment or large retailer we still need donated/discounted food & supplies. Gift cards to grocery stores or big box stores are fantastic too! Let Val or Beth know.
