- Gym Space Estimated Cost - \$16,000
- Trainer costs > \$25,000
- Foundation for SSA's recent success: higher quality of play, better development opportunities, better club community, attracting new coaches

Winter Development Objectives & Background

- SSA provides 3 training opportunities for the winter, key to player development and enjoyment of the game
 - Burnsville Blast training (individual skills training)
 - Futsal training (5v5 scrimmages on hard court with weighted ball)
 - GK training (Ages 11 and up. Starts in January)
- **Why Winter training?**
 - Mastery of individual skills - ball control, first touch, dribbling, passing etc.
 - Build confidence with the ball
 - Best time for individual player development and skill advancement
 - Key to player success and developing passion for the game
 - Included in your registration fees
 - Lot of FUN and great exercise
- **How we do this**
 - Futsal – ball control in a tight space, pressure situations, game situations
 - Winter training - foot skills training with tons of repetition on and fun 1v1 and 3v3 games
 - Professional trainers with a strong background in skill development (SSA has some of the top professionals in this area. Zafer K, Sam M, Julio B, Jesus C, Greg W)
 - Assigned curriculum with a focus on skill development to teach fundamental skills
 - GK training to develop strong technique and confidence at a younger age

Winter Development Improvements

- More space for each age group
- Pre-assigned training slots
- Increased time and space for GK training
- Adding younger GK training. Now starting at age 11
- Added Saturday training slots for November-December training
- Same ages train together when possible – focus on development of age group vs specific team capability at younger ages
- Greater focus on skill development for ages 8 -12 – development curriculum
- Futsal is included for all 9U & 10U teams and C1 & C2 teams. C3 individual players optional
- Trainer evaluations and mentoring
- Some of the top Futsal trainers in the region (SSA has some of the top professionals in this area. Zafer, Sam M, Julio B, Jesus C, Greg W etc.,)
