Stillwater Area High School

WELCOME

to the **CELEBRATION** of **CHAMPIONS**

As we celebrate the 2020-2021 state tournament seasons, I extend an enthusiastic welcome, on behalf of our entire Board of Directors, to each tournament attendee, whether in person or virtually. It is exciting to return to the tradition of celebrating students through competition at the highest level.

Our Championship Celebrations spotlight students who participate in MSHSL athletics and fine arts and choose to extend their day representing their school and community. Your positive support of the commitment of these students is validated in your attendance at this event. While each tournament may look different than it has in the past, the excitement and validation that are trademarks of our tournaments remain.

The MSHSL recognizes the value of education-based activities. These activities are integral to each member school and research continues to demonstrate the many benefits of participation. Our students in athletics and fine arts activities have higher grade point averages, miss less school, and have the potential for greater success beyond high school than their classmates. Each competition provides the opportunity for students to develop teamwork skills, challenge their abilities, compete with integrity, and learn together.

"Education and Leadership for a Lifetime" is the slogan of the Minnesota State High School League. This purpose is highlighted in the many acts of sportsmanship found throughout these competitions. During the tournament, we encourage you to continue to recognize and positively support these actions.

While each high school season culminates in a state tournament or festival, we believe every game, contest, or performance throughout the year has been a celebration of champions. Thank you for your season-long support of students, athletes, coaches, directors, spirit squads, bands, parents, teachers, and administrators.

Blaine Novak, President
MSHSL Board of Directors
