NORTH OLDHAM LITTLE LEAGUE

We hope everyone had a safe and great off-season and hope you are looking forward to the 2021 season at North Oldham Little League. Welcome back the returning families and we welcome the new families to our league. We will be starting our 48th season as a member of Little League Baseball. Last year the pandemic affected everyone, the season was delayed and shortened, but were able to have a 12 game season with league championships and we were able to have some all-star teams having six district champions and the league hosted the baseball state tournament at Walsh Park in September with North Oldham Little League 10's and 12's baseball all-stars winning state championships. We had nearly 600 kids playing once we got our league underway, despite losing 120 kids that chose not to play. With the help of many volunteers and league supporters our league provided a safe environment for the kids and our fans. With the 2021 season we will have the same health guidelines that we had at the end this past season. Again as we start, the 2021 season masks will be required at Walsh Park for all adults at all times practices, meetings and games. We will make any changes when necessary to keep Walsh Park a safe and better place for everyone.

We at North Oldham Little League feel we have one of the best baseball/softball leagues in the state. We are proud of our competitiveness, our efforts to include all children who want to play and think, we have at Walsh Park one of the best family atmosphere places in Oldham County. We have an excellent group of volunteers, great families, and get great support from the community to make our league a successful one. We hope that your child and your family have a great experience for the 2021 season.
