

# YOUTH HOCKEY SPONSORSHIP FORM

Hockey is growing in the Upstate and Greenville Hockey is leading the way. As we continue this momentum, we are creating more opportunities to bring our community together by highlighting those who support our growth.

More eyes than ever are on our elite Travel and House programs. We have created various experiences for our sponsors to be seen as key partners in expanding hockey for the children in our region.

While we will accept any donation amount, donating at the tiers below maximizes the impact of your brand on the hundreds of players, parents, visiting teams, and fans each season. Your support ensures hockey remains a viable and thriving sport in our community. Thank you!
