

## **SOCCER ASSOCIATION FOR YOUTH TIMES TWO POLICY**

Implementation Date: Immediately

In accordance with SAY policy, Southern Nevada Soccer Association will require no fewer than two adults (suggested as unrelated), per team, to be present at all team functions such as games, practices, picnics, etc. No exceptions!

### **NOTE:**

1. The adults assigned can be a combination of coaches, parents, league staff members, etc.
2. While the focus of this policy is the child it also provides protection for the volunteers in case of misunderstandings.
3. In accordance with SAY National guidance, SNSA recommends that volunteers not provide transportation for non-family members. This is more of an insurance issue, but also has implications in regards to the intent of the "Times Two" policy.

### **IMPORTANT!**

Failure to implement the "Times Two" program may adversely impact SNSA's liability insurance coverage. From a practical standpoint SNSA cannot have staff members attend practices for all of our teams; therefore, we rely on our coaches to comply with this important policy.
