PROLOGUE

The New Prague High School Trap Team is organized and supported by the New Prague Clay Target Club. The New Prague Clay Target Club is a non profit Minnesota corporation recognized by the IRS as a 501(c)(3) public charity. A purpose of the New Prague Clay Target Club is to provide a safe, positive, and supportive educational-athletic organization that exists to introduce school-age youth to clay target sports and to facilitate their continued involvement by providing, promoting, and perpetuating opportunities to safely and enjoyably participate and compete in a high-quality, team-based sport led by trained adult coaches focused on enhancing the personal growth and development of their athletes.

The New Prague Clay Target Club recognizes that the New Prague Trap Team will include participants new to the sport, participants that join the team as a recreational activity and other participants that desire to be competitive in this sport. Some participants may only desire to shoot practice or league once per week while other participants may want to participate in several practices and competition each week. **ALL STUDENT ATHLETES ARE IMPORTANT TO THIS TEAM!**
