OSBA/CBOC Referee Coaches and the CBOC points of emphasis:

This weekend you may see several OSBA/CBOC Referee Coaches and Observers on site. Their role is not to evaluate the coaches. They are there to review and educate our Officials to assist them in their professional development and career growth.

We ask that you review the following documents, so you have an awareness of the Points of Emphasis that the Officials are focusing on to better the game and provide efficient regulation of the FIBA rules.

Useful links, documents, and downloads -- Everything from the most up-to-date FIBA Rule Book, to Casebooks, League Rule Modifications and more.

[Rule changes effective October 1, 2022](#)

[OSBA Policies and Resources](#)

The POE's identified in previous seasons that are still in effect:

1. **ILLEGAL CONTACT** (Dribbler, Off-Ball, Post Play)
2. **SCREENING** (ball screens, screener responsibilities)
3. **GAME CONTROL** (addressing bench behaviors, coach-official interactions)
4. **UNSPORTSMANLIKE FOUL**
(C1 – No attempt to play the ball, C2 – Excessive/Hard contact, C3 – Unnecessary contact to stop transition, C4 – clear path foul and its applications)

Other Points of Emphasis for 2023-2024 (this is always evolving):

1. **COMMUNICATION** (improvement needed between players, coaches and officials)
2. **PIVOT FOOT** (identifying the pivot foot and correctly calling travelling violations)
3. **PROTECTING SHOOTERS** (up, down and then rebound, drives to the basket)
4. **REBOUNDING** (identifying matchups and which areas to officiate when)

We ask the following of you, your bench staff, your parents/spectators, and your student athletes:

- Always respectful to the Officials. At the OSBA level, you are more than volunteer coaches, you are professional coaches.
- We have all not agreed with a call at multiple times in our coaching careers, but remember the Officials are there to keep everyone safe and enforce the rules of the game. We are all human and see things from different angles on the floor.
- We ask that you **DO NOT immediately** approach the Officiating Crew at half-time, or immediately following a game. This also applies to the Assignors and Evaluators.
- After a 3-hour window of time, the Officiating Crew and/or an Assignor or Evaluator can be contacted to discuss the GAME. There will be no discussions on a specific call.

The OSBA has had several interactions between several different levels of people (Players, Coaches, spectators) that have been less than professional in the previous season and do not align with the Code of Conduct. Please remind your players, and have your players remind their supporters that officials are there to ensure the safety of the game and to work with everyone to give the kids the most enjoyable experience.

All teams have signed off on the Governance items listed on page 4 at the time of registration in RAMP.

- If you have you any questions about the Code of Conduct or the Zero-Tolerance policies, please visit the [Governance section of the Ontario Basketball Association website](#) .
- Please ensure your spectators are aware of the Spectator Code of Conduct.
- If you have a question about a call during the game, please approach the referees with respect. Do not approach referees at half time or after the game. We ask that everyone gives themselves 3 hours to reflect on the game prior to reaching out about any issues with the game. (Yes, this statement is intentionally repeated)

Side note: Officials will issue technical fouls as they see fit. They are there to officiate the game and make the calls that are to the best of their ability at that time with the information on hand.

The Disciplinary Panel will not rescind technical fouls assessed during the game. If you have a concern about any calls or the overall game, please follow the process to submit a complaint to the Fair Play Commissioner. The incident reports will be reviewed, and if anything is flagged as a learning opportunity for any parties, follow up will be made.

Although the tournament is “Pre-season” all disciplinary infractions against OSBA teams will be subject to Regular Season Suspension/Infraction penalties.

Fair Play Policy Statement

“Fair play comprises and embodies a number of fundamental values that are not only integral to sport but relevant in everyday life. Fair competition, respect, friendship, team spirit, inclusion, sport without doping, respect for written and unwritten rules such as integrity, ethics, solidarity, tolerance, healthy physical and mental play, excellence, and joy, are the building blocks of fair play that can be experienced and learnt both on and off the field.”

For Fair Play to occur, the members of our community need to know, understand, and accept the policies, rules, procedures, and decision-making criteria used by Ontario Basketball. We will strive to share our policies, rules and procedures and our decision-making criteria to clarify and help our membership in their understanding of these areas. Winning is only meaningful when we play fair.

Where an employee, member or spectator believes that there has been a failure of the policy, they should submit their complaint by email to elite@basketball.on.ca with the subject line: Fair Play Complaint and copy the Director of High Performance. The following provides the procedures to be used to address situations of concern.

 - Does the complainant have direct eyewitness evidence of the facts alleged?
 - What Fair Play principles have been contravened?
 - Who is the respondent? Are there multiple respondents?
 - Is the respondent a player, coach, club or official?
 - Is the respondent a member of Ontario Basketball?

The Committee’s Chair and/or the Commissioner of Fair Play and Resolution will prepare a brief synopsis of his or her investigation to be placed before the members of the OSBA Discipline Committee.

3. Sends complaint to the respondent.

- The respondent is required to provide the Committee’s Chair and/or Commissioner of Fair Play and Resolution with their response to the complaint within a period no longer than 7 calendar days (including weekends/statutory holidays). Failure to do so will result in sanctions being placed against the respondent.

4. Creates a case file and sends the file to the members of the OSBA Discipline Committee.

- The case file will contain letters of complaint and response, the investigation report, and any other relevant information.

5. Receives a written decision from the Chair of the Discipline Committee.

- The Commissioner of Fair Play and Resolution should receive a written decision from the Chair of the Discipline Committee within two (2) weeks of the Discipline Hearing.

a) Complaint is Dismissed.

- The Commissioner of Fair Play/Commissioner of Fair Play and Resolution sends a copy of the decision to the complainant, the respondent, and Ontario Basketball’s Executive Director.

b) Complaint is Sent to the Discipline Committee

- The Commissioner of Fair Play and Resolution sets a Discipline Hearing date, time, and place.
- The Commissioner of Fair Play/Commissioner of Fair Play and Resolution sends letters to the complainant and respondent giving reasonable notice (at least two (2) weeks) of the Discipline Hearing.
- The Commissioner of Fair Play/Commissioner of Fair Play and Resolution sends a copy of the case file to the members of the Discipline Committee Panel who will hear the complaint.
- Within two (2) weeks of the hearing date, the Commissioner of Fair Play and Resolution should receive a signed copy of the Discipline Committee Panel's decision from the Chair of the Discipline Committee.
- The Commissioner of Fair Play and Resolution sends copies of the decision to the complainant and the respondent.

Role of the Chair of the OSBA Discipline Committee

1. Receives the case file from the Commissioner of Fair Play and Resolution.

2. Calls to order the OSBA Discipline Panel.

3. Attends the Discipline Hearing.

The Chair of the OSBA Discipline Committee and OSBA Discipline Committee Panel members will attend the Discipline Hearing, chaired by the Commissioner of Fair Play and Resolution. It is the responsibility of the Chair of the OSBA Discipline Committee to ensure that the OSBA Discipline Committee Panel's decision is written and signed within two (2) weeks following the hearing.

4. Reviews signed copy of the decision.

The Chair of the OSBA Discipline Committee reviews the OSBA Discipline Committee Panel's decision to ensure completeness and accuracy. The decision is then forwarded to the Commissioner of Fair Play and Resolution.

Media

All Media must have pre-registered through the link that was available on the Fall Showcase site and published on social media throughout this past week.

Each approved and Accredited Media person is bound by the terms and conditions of their registration and will be required to comply with onsite staff direction. You will be given a sheet with your pass that outlines the “dos and do nots”.

Accredited Media Persons will be required to always wear the lanyard, and it is **NOT to be shared with anyone else**. If the lanyard is shared, the person who was assigned the media badge will have their accreditation removed for the weekend and will not be approved for any further applications to OSBA events in the future. If multiple members of your company team are registered, EACH PERSON is required to pay admission and have their own lanyard. Lanyards cannot be shared.

Onsite staff reserve the right to ask you to confirm your identity at any time they feel as though a pass may have been shared.

OSBA Team Media personnel must be registered as a rostered member of the team and be wearing clearly identifiable clothing that shows they are a part of the OSBA team (logo on polo shirt, slacks, etc.) aligning with the professionalism in the dress code.

Media space is limited at this event and if not pre-registered for the event within 24 hours of the first game, media passes will not be provided, and entrance will be allowed as a spectator sitting in the designated spectator area only.

Media with Media Lanyards are NOT permitted to be on the baseline while there is an active play going for safety reasons. The officials will be monitoring this and will ask media to move if needed. The onsite Convenors will also be monitoring media behaviour as outlined in your registration.

Media that is NOT pre-registered will not be able to purchase media accreditation passes at the door. They will need to pay gate entrance fees. Once approved, eligible media people will be sent a link to purchase their media accreditation entrance fee at the rate of \$40 until 11:59 PM on September 28, 2023. If the gate fee is not paid prior to the date the tournament starts, they will be charged \$50 at the door to obtain their media lanyard.

Media are required to pay the full media accreditation entrance fee, even if they are there for a single day only.

Congratulations to both our U15 and U17 Boys for Capturing GOLD at this year's National championships.

Late Arrival Policy

If a team is late for reasons outside of their control, there will be a 15-minute grace period after the scheduled start time.

As per FIBA rules Article 20, Rule 20.1:

Article 20. Game lost by forfeit Rule 20.1 - A team shall lose the game by forfeit (recorded as 20-0) if:

- The team is not present or is unable to field 5 players ready to play 15 minutes after the game is scheduled to begin.
- The team's actions prevent the game from being played.
- The team refuses to play after being instructed to do so by the crew chief.

A team who arrives ready to play within the 15-minute grace period, the minimum amount of warm-up time is 5 minutes upon the team's arrival.

Coaches

Each OSBA coaching staff member:

- must be a member in good standing with Ontario Basketball (OBA).
- Comply with certification requirements or show proof of working towards obtaining them within the timelines below.
- Comply with all screening requirements.

CERTIFICATION REQUIREMENTS

Position	1 st Year Involvement	2 nd Year Involvement	3+ Years Involvement
Head Coach (Senior/OSBA)	Train to Compete in Training	Train to Compete Trained	Train to Compete Certified
Assistant Coach (Senior/OSBA)	Train to Compete in Training	Train to Compete Trained	Train to Compete Certified
Head Coach (Junior/HP D-League)	Train to Train Trained	Train to Train Certified	Train to Train Certified
Assistant Coach (Junior/ HP D-League)	Train to Train Trained	Train to Train Certified	Train to Train Certified

If these standards are not met, the OSBA member program must show:

- The pathway for development that is being taken for completion by the coach. This will include future NCCP courses and other professional development opportunities.
- The steps taken to find coaches who would have complied.
- The steps that will be taken to increase the number of coaches in the future.

The OSBA program should inform Ontario Basketball as soon as their coaching staff are selected so that a plan can be developed to meet the certification requirements should the coach not meet the requirements at the time of selection.

SCREENING REQUIREMENTS

All coaches and bench personnel must complete and submit a Vulnerable Sector Screening Check to the OSBA prior to the start of the season, provided by the league. This is to be uploaded to RAMP.

The Safe Sport Training module developed by the Coaching Association of Canada (CAC) will help anyone involved in sport identify and prevent situations of maltreatment. All coaches and bench personnel must complete Safe Sport Training module developed by the Coaching Association of Canada (CAC).

OSBA will require all bench personnel to complete the Safe Sport Training module every 12 months aligning with Canada Basketball requirements for Nationals. OSBA administration will check transcripts mid-August to determine who may need renewal for the start of the new fiscal year (September).

For 2023-2024 Administration will send emails out to coaches who require renewal in September. This will then align for the following years to receive a reminder email in August and complete the training within the month of September.

GENDER REQUIREMENTS

A minimum of one (1) member of each coaching staff (this does not include managers and trainers) is of the same gender of the team they are coaching. The roles of each coach must be clearly defined (not just title).

If the head coach (of a female team) is a male, the assistant coach and manager must be a female. The female assistant coach is not to be given the role of assistant coach in name only.

RESPONSIBILITIES

All coaches are responsible for:

- 1) Following the [OSBA Code of Conduct](#)
- 2) Following the [Zero-Tolerance Policy](#) – for coach and referee interaction.
- 3) Ensuring that the student-athletes they coach follow OSBA's Code of Conduct.
- 4) Treat all OBA staff with respect for their authority in the administration of the OSBA.
- 5) Working collaboratively with other league coaches and personnel for the betterment of the student-athlete experience.
- 6) Be always compliant with all information requests in accordance with validating student-athlete eligibility and/or misconduct incidents and following OSBA administration processes and procedures.
- 7) Ensuring all student-athletes on their roster always meet all eligibility requirements.
- 8) Acting as a role model for the student-athletes and an ambassador for their respective school or program as well as the OSBA on and off the court.
- 9) Adhering to the [Canada Basketball Anti-doping Policy](#) including zero-tolerance for player and coach doping.
- 10) Coaching fairly and with high sport ethics.
- 11) Encouraging sportsmanship among team members and opponents.
- 12) Have a solid understanding of this operations manual.
- 13) Follow any other applicable policies and procedures [as listed on the OBA website](#) if this manual is silent on a specific policy.

DRESS CODE

The dress code is intended to provide guidelines for all coaches, team staff, delegates, and participants in all OSBA events, in terms of their chosen attire. The intent of the OSBA in adopting this dress code is to enhance the professional image of coaching and the OSBA league given the lens of post-secondary recruiting and media coverage.

Acceptable attire includes:

- Team-wear, including warm-up suits, collared shirts, and sweaters, etc.
- Business-wear, including suits, jackets, shirt & tie, sweaters, vests, etc.
- Business-casual wear such as polo-shirts and slacks with appropriate footwear.

Unacceptable attire includes:

- Casual/informal wear, including jeans, t-shirts, shorts, non-matching sweats, flip-flops, ripped jeans etc.

Student-athletes are to represent themselves in a professional manner while participating in the OSBA. When travelling, students and coaches should be in team attire OR the uniform they wear in school daily if the school provides a uniform.
