

Paso Robles Youth Cheer – Uniform Understanding Form

Required for registrants after June 18th

I understand that my athlete missed the official PRYC uniform fittings and that their uniform will be designed based on the measurements I provide.

I acknowledge the following:

- My athlete’s uniform will be ordered using only the submitted measurements.
- Uniform production by Varsity requires approximately **8 weeks minimum** from the time of order submission.
- If **measurements and/or payment** are delayed, this may further delay uniform production and delivery.
- Due to the timeline, **my athlete’s uniform may not arrive in time for one or more games** throughout the season.
- Until the official uniform arrives, **my athlete will wear their camp shirt and PRYC briefs** on game days.
- This information and timeline were communicated by PRYC, and I understand the associated risks due to late registration.
