

MANDAN SOCCER CLUB

3RD GRADE RULES (REC)

Updated: JUNE 19, 2023

Basic Game Details

- **Player's Equipment:** The usual uniform of the soccer player is a team shirt (provided by MSC), shorts, calf socks, shin guards and shoes. Shin guards and calf socks are required. Nothing dangerous to another player may be worn. Cleats are usually made of rubber, plastic aluminum or leather but they are not required. The goalkeeper must wear a different color than his teammates. All jewelry must be removed before play can start.
- **Game Time:** Consists of 2 equal halves of 25 minutes. 5-minute half-time should be given between halves.
- **Number of Players:** 7 players per a team on the field at one time. Always use the same number of players for each team.
- **The Ball:** A size 4 ball
- **Scoring:** The ball must completely cross the goal line between the two goal posts. If the ball is touching any part of the line it is not a goal.

Specifics

- **Field of Play:** Field should be rectangular with a maximum length of 130 yards and a minimum of 100 yards. The width should be a maximum of 100 yards and a minimum of 50 yards. With the proportions kept correct, junior fields can be smaller depending on the age level.
- **Jamboree Game Time:** Consists of 2 equal halves of 12 minutes. 3-minute half-time should be given between halves.
- **Officials:** The referee is in charge of all game activity and is to make sure each team abides by the rules. The referee's decision is final. It is the referee's responsibility to keep the game clock, check for injuries, and remind the players of proper game conduct.
- **Substitutions:** MSC encourages equal playing time but also substitutes when players appear tired. The referee must be notified before a substitution can occur. By having the substitute players stand on the half line, the referee can see that players are ready to come in at the next stop in play.
- **Kick Off:** Officially begins each quarter with teams alternating the kick off at each quarter. A kick off is also used to restart the game after a goal. The team who conceded a goal restarts play with a kick off from the centerline. Opponents need to be 5 yards away from the ball. Teach players to be 10 steps away. Also the kicker may not touch the ball a second time until the ball has been kicked by another player.
- **Ball in and out of Play:** After the ball has wholly crossed the sideline or goal line, it is out of play. Any ball striking a referee, goal post, corner post, and remaining on the soccer field is in play.
- **Throw in:** After the ball has wholly crossed the sideline, the team that didn't touch the ball last is awarded the throw in. These rules should be remembered as part of the throw in regulations. Both feet must be out of bounds when the throw is made (on or beside the sideline), Ball must be thrown with both hands, starting from behind the head in one continuous motion, Both feet must stay on the ground as the throw is made, If they do not execute the throw in correctly, explain to them the correct way. The ball is awarded to the opposite team.
- **Goal Kick:** Awarded to the defense when the ball (after being last touched by the offense) crosses on goal line, but not resulting in a goal. The ball is placed anywhere in the goal area and must travel

outside the penalty area before it can be touched by another player from either team. Opponents need to be 5 yards away from the ball.

- **Corner Kick:** Awarded to the offense when the ball (after being last touched by the defense) crosses on goal line, but not resulting in a goal. An offensive player takes the kick on the quarter circle nearest the corner flag post where the ball went out of play. A goal may be scored from the kick. Opponents need to be 10 yards away from the ball as it is kicked. The kicker may not kick the ball a second time until touched by another player.
- **Offside:** Offside WILL be called for 3rd grade games (after the build-out line)
- **Free Kicks:** The two basic kicks awarded by the referee are:
 - Direct Free Kick: A goal can be scored directly from the kick or passed to another player
 - Indirect Free Kick: The ball must touch another player before a goal can be scored.
- **Penalty Kicks:** A penalty kick is awarded after serious rule infraction by the defense takes place in the penalty area. It is a direct kick taken 12 yards from the goal line. All players except the goalie and the kicker must be outside the penalty area and behind the penalty kick mark. The goalie must stand on the goal line and may not move until the ball is kicked.
- **Build Out Line:** MSC will use a build-out line for 7 v 7 games. The line shall be placed equidistant from the top of the penalty area and the halfway line. When the ball goes out of play for a goal kick or when the goalkeeper has possession of the ball in his/her hands, the opposing team must retreat behind the build out line. The opposing team can advance beyond the build out line when the ball is put "in play." The ball is considered "in play" when the ball is released from the goalkeeper's possession by a pass or throw. The goalkeeper can put the ball into play sooner but he or she does so accepting the positioning of the opponents and the consequences of how play resumes.
- **Fouls and Misconduct:** These are some fouls for which a referee can award a DIRECT KICK to the offending team:
 - Kicking an opponent,
 - Tripping an opponent,
 - Jumping at an opponent,
 - Charges an opponent,
 - Strikes an opponent,
 - Pushes an opponent,
 - When tackling an opponent, you make contact with the player before the ball,
 - Holds or spits at an opponent,
 - Handles the ball deliberately with hands excluding the goalkeeper.
- These are some fouls for which a referee can award an INDIRECT KICK to the offending team:
 - Dangerous play,
 - Charging away from the ball,
 - Opponent obstruction when not playing ball,
 - Charging the goalkeeper except when the goalkeeper:
 - is holding the ball
 - is obstructing an opponent
 - has passed outside his goal area.
 - When the goalkeeper is in the penalty area:
 - the goalkeeper releases the ball, and touches it again before a player from the other team has touched it,
 - the goalkeeper deliberately touches the ball with his hands after it has been purposely kicked or thrown to him by another teammate,
 - The goalkeeper indulges in time wasting.
- **Offside:** According to the FIFA rulebook, a player is in an offside position if:

- He/she is nearer to his/her opponents' goal line than both the ball and the second last opponent.
- A violation will occur when a player is in an offside position (previous bullet point) at the same time the ball is being passed forward to him.
- For any offside offense, the referee awards an indirect free-kick to the opposing team, to be taken from the place where the infringement occurred.
- A player is NOT in an offside position if:
 - You receive the ball directly from a goal kick, a throw-in or a corner.
 - You are in your own half of the pitch.
 - You are level with the second last or last two opponents.
 - You are level with or behind the ball.
 - You are not actively involved in play. You can stand in an offside position and not be declared offside until the ball is passed to you.
