 4. Mike D. Brought up Fall Tryouts to get teams set for following year. Easier to register for tournaments with teams set. Would like in 75 to 80% of team and rest would tryout in spring to fill out roster. Leaves room for Move in's from out of district and helps with not having to do gym tryouts. Having kids tryout on a baseball diamond versus in a gym will show skills better. Discussion to move tryouts to fall, not a for sure yet. Working on a plan for future.
