BROOKWOOD BRONCOS

[@BRONCO_FTBALL](#) [#FAMILY](#)

A group of people, likely athletes, huddled together at night in a stadium, illuminated by bright lights. The scene is dark, with the primary light source being the stadium lights, which create a high-contrast, dramatic atmosphere. The people are wearing white and red clothing, suggesting a team or organization. They are huddled together, some with their arms around each other, conveying a sense of unity and shared purpose.

“We were never
fighting for wins.
We were fighting for a
belief in what we stood for,
the way we believe
life should be lived
and people should be treated.
Winning is a
by-product of how you
approach life and relationships.”

-Bob Ladouceur
