BE IT RESOLVED that the **CLASSIFICATION OF SCHOOLS** policy be amended to include the following for Soccer:

If there are less than 8 teams in the 4A classification, the 5A classification will send teams with the lowest enrolment(s) down to 4A until 8 teams are present.

In the case where teams are required to move to meet a minimum threshold, but there are multiple teams with the next eligible enrolment to move, then all teams with the same enrolment will change classification.

In instances where a provincial host is one of the teams to be moved to the 4A classification, that team would not be moved and the school with the next appropriate school enrolment would be moved.

Classification for teams will be based on those registered to participate in the activity on the E-10 (enrolment) deadline for that activity. If a team withdraws after the E-10 (enrolment) deadline, no further adjustments to the classification will be made to meet minimum threshold levels.
