Meeting started: 0658 PM, The Liberty Saint Michael

President: Ryan

- Welcome was extended to those who responded to interest in joining the Board. Explained there are currently positions open: In-house Director, Tournament Director, and Sponsor Recruiter. The positions have at least a one year commitment and required to volunteer the weekend of the Travel home tournament of January 14-15, 2023. Each position explained and interested parties interviewed. Informed each that decision would be made by end of the following week and they will be contacted. They were then dismissed.
- Tryout recap: Teams were formed efficiently and tryouts went smoothly. Two tryout dates were a success, but discussed lowering to 1 hour each instead of 90 mins. Discussion held around updating verbiage for team formations, cutting necessity, final number on teams and final decision of the board/Head Coaching staff. Numbers on jerseys front and back. Suggestion was made to wear travel gear/jersey for tryouts.
- Discussion and conversation regarding inappropriate involvement with 4th grade B team parent. Elevated Board Members will be intervening and ask to meet with this parent. Expectations will be set as Parent involvement only for this parent in particular.
