## TOP MONTHLY EVENTS ★

### Orchid Show

On display at the ever-popular orchid show, the Missouri Botanical Garden's vast orchid collection includes more than 6,000 individual plants representing almost 700 unique species, and approximately one in 10 orchids in the collection is threatened or endangered. Different species bloom at different times, so the orchid show is constantly changing – and always exciting!

### Art Inside Festival

The second-annual Art Inside Festival is a free, indoor art fair that celebrates St. Louis' vibrant art scene, music, and community by featuring unique artwork made by local artists and performances all weekend long by local performers.

### Hell's Kitchen

Hell's Kitchen – the award-winning Broadway musical created and inspired by 17-time Grammy Award-winning Alicia Keys – takes you on a journey with Ali, a 17-year-old girl full of fire. Relatable, raw and refreshingly fun, it's a celebration of finding yourself, your purpose and the people who lift you up. The music – a mix of Keys' greatest hits and new songs written exclusively for the show – tells a tale that speaks to you no matter where you're from, where you've been or where you're going.

### The Lodge: A Winter Pop-Up Bar

This winter, warm up at The Lodge, Eckert's newest pop-up bar inspired by snowy escapes, winter sports and fireside gatherings with the people who make you feel at home. Guests are invited to cozy up next to the crackling fire inside the Cider Shed and sip handcrafted cocktails to their hearts' content.

### Owl Prowls

Walk on the wild side at the World Bird Sanctuary. Dark winter nights are the perfect time to join one of its Owl Prowls, where you can meet the amazing birds that fly by moonlight. Held on select evenings from November through March every year, Owl Prowls offer an exciting opportunity to learn more about the intriguing life of owls from a local naturalist. Come face-to-face with live owls, take an easy night hike across the grounds and try to call to an owl in the wild. Hoot. Hoot.

### The Simon & Garfunkel Story

Experience the sound of a generation with The Simon & Garfunkel Story – an immersive journey through the lives and music of the beloved American folk-rock duo. Accompanied by original film footage and a full live band, this powerful performance traces Paul Simon and Art Garfunkel's rise from humble beginnings as Tom & Jerry to their incredible success as one of the best-selling music groups of the 1960s. Hear the songs that defined an era – including "Mrs. Robinson," "Cecilia," "Homeward Bound," "Bridge Over Troubled Water," "The Sound of Silence," and more – in a stunning concert that brings to life the emotion, beauty, and storytelling behind Simon and Garfunkel's unforgettable music.

### The Queens

Music history will be made as four of the most legendary voices in R&B, soul, and pop come together for an unforgettable tour! Chaka Khan, Patti LaBelle, Gladys Knight, and Stephanie Mills – each a powerhouse in their own right – will share the stage for the 4 Legends! 1 Stage tour, celebrating decades of iconic music and timeless hits.
