

Calendar for Retrying Tests Subject to the 14-Day Waiting Period

Per U.S. Figure Skating Rule 4003: "[Certain] tests, when marked "retry," may not be retaken prior to the 13th day following the date of the original test. Example: A test taken on May 1 and marked "retry" may not be retaken before May 14, the 14th being the 13th day following the date of the original test. For the purposes of this rule, a moves in the field test taken as an adult 50+ candidate is considered the same as the same level moves in the field test taken as an adult 21+ or standard candidate."
