

Ste Jeanne d'Arc School

The Journey Begins

TO ALL WHO WISH TO JOIN AN SJA ATHLETIC TEAM FOR THE 2022-2023 SCHOOL YEAR

Please reflect on the following before applying to participate:

1. Parents must sign and understand the permission and application form.
2. All students who participate in competitive sports must maintain the academic, discipline and attendance standards required. In order to remain in the sports program, students must put forth their best effort. If an athlete jeopardizes his/her academic achievement, the principal reserves the right to remove that player from the team.
3. Any person who does not follow the school policies as found in the school handbooks will be taken off the team. He/she will be given one warning.
4. Any person not following League Rules will be taken off the team. He/she will be given one warning.
5. Any student-athlete caught smoking, using drugs or alcohol of any kind, anywhere...will be taken off the team immediately.
6. Practices are held on a regular basis. No excuses are allowed for missing practices. Valid reasons must be cleared with the Athletic Director and Coach before the practice. Failure to do so means being taken off the team.
7. SJA is a member of the Ecumenical Athletic Association and supports its policies. Any parent or student-athlete, who will not abide by these rules, should not fill out this application. The EAA is assessing a \$25.00 per student fee which will be due once the teams are chosen.
8. Any tournament the team enters will follow the rules and regulations of that tournament.
9. There is an athletic fee of \$75.00 for all student-athletes chosen to represent the school on a team. The members of the bowling team will be assessed an additional \$103.00 amount for lane fees. A fee for the purchase of mandatory team kneepads (volleyball, basketball); socks (soccer, baseball, softball); hats/visors (tennis, softball, baseball); bloomers, bodysuits, and sneakers (cheer) will be assessed once the team has been chosen. Cheerleaders will be required to participate in the gymnastics program chosen by the athletic department and responsible for gymnastic lesson fees.
10. All team members are required to wear the school gym pants and sweatshirt as part of their uniform over the team issued uniform or may purchase the school warm-up suit.

All qualified students may try out for membership on sports teams. The school is committed to providing everyone a fair chance to participate. Unfortunately, not everyone who tries out can be accepted. The decision of the coach, in conjunction and consultation with the athletic director and principal, is final.
