Congratulations! Class of 2019

A huge congrats to ALL of the athletes who signed their National Letter of Intent on November 14th! It is one of North Tartan's favorite days of the year! There are huge smiles, family photos, and wonderful messages of gratitude. Once again, North Tartan athletes, their families, coaches, teammates and friends enjoyed the special moment.

Director Notes

Club Director Bill Larson continues to log plenty of miles. Now with the start of the high school season he plans on driving all over the Midwest watching current and future NT talent. Bill took in a number of games at both the University of St. Thomas and Hamline University Thanksgiving tournaments. In early December, he will make his usual showing at the Breakdown at Hopkins Lindbergh and complete his weekend attending a key #1 vs #2 college match-up. Over the 2nd weekend of December Bill will be involved in a closed AAU meeting, completing his out-of-state commitments for the year. The second half of always a busy time of month as well, be sure to send in any special games, dates, and times that he could come out and enjoy!

South Dakota State University**

Alumni Update

This month's alumni focus is on Madi Guebert. The 5'8 Eastview alum is a senior at South Dakota State. Madi has been a starter each year as a Jackrabbit. Some of her accomplishments include two time first team All Summit League, Summit League Freshman of the year, and three time Summit League Academic Honor Roll. Madi had a brief career with North Tartan but she made the most of time with the blue and gray.
