

How to Register for Chaska Baseball.

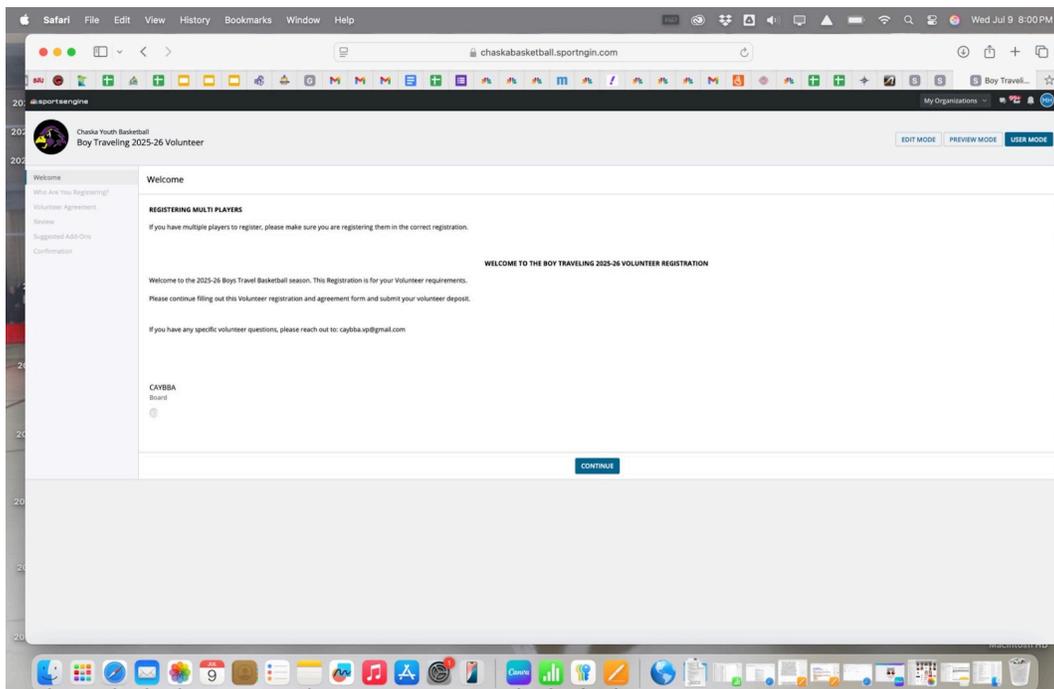

1. Go to the registration page for boys Chaska baseball on playballhawks.com and open the registration page.
2. Choose your child to register (or add a new person)

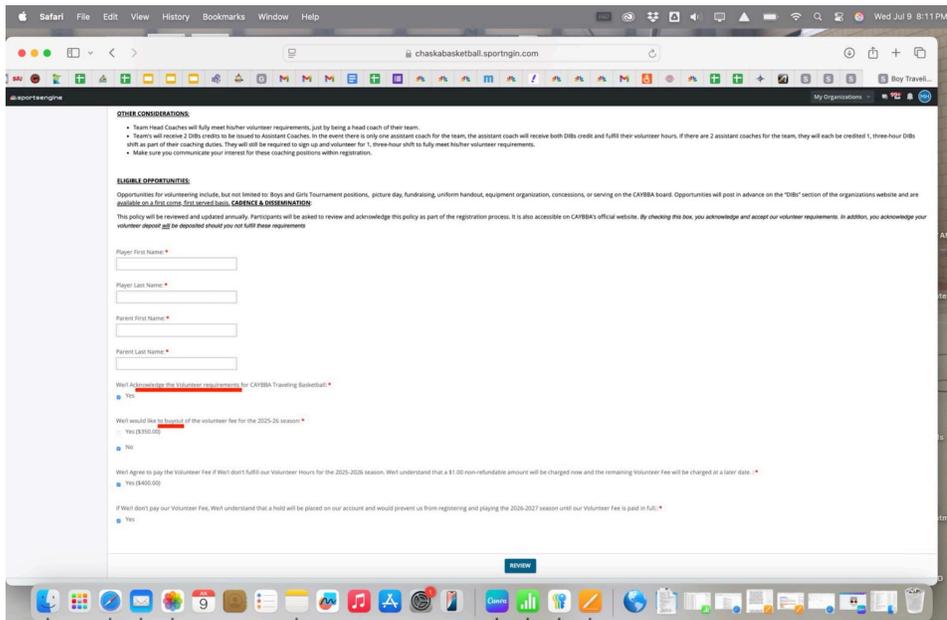

- The next page in the registration process is the new Volunteer Agreement. After acknowledging the volunteer requirements you must click the link to complete the volunteer agreement. Clicking this link will open a new page (step 4 below)

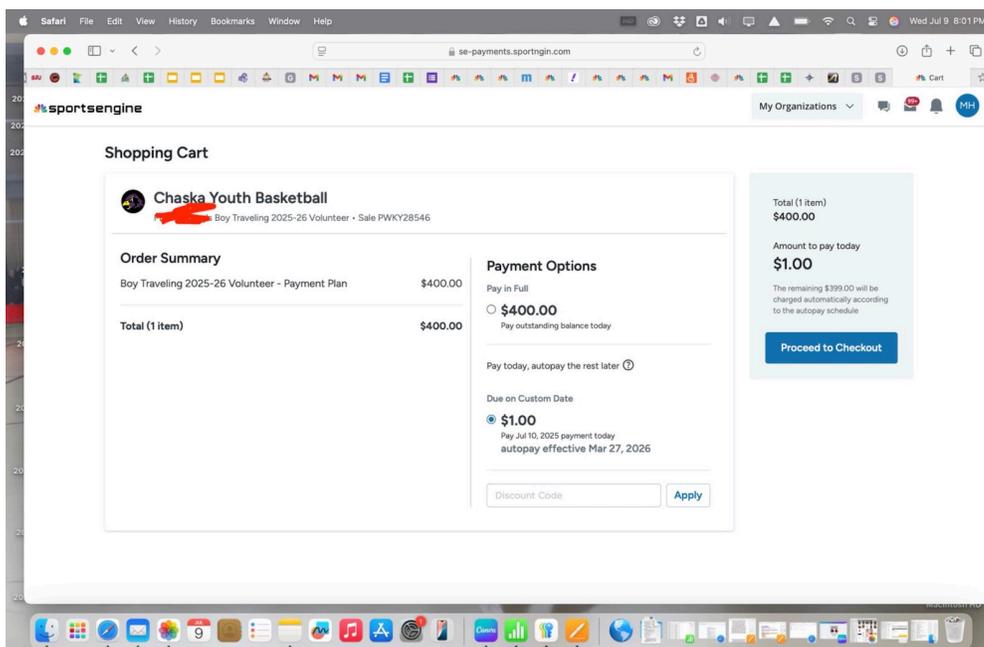

- This will bring up the volunteer registration page (below) in a new window. You will need to go through the steps to register and choose whether or not to volunteer with CBA during the season or “buy out” of volunteering.

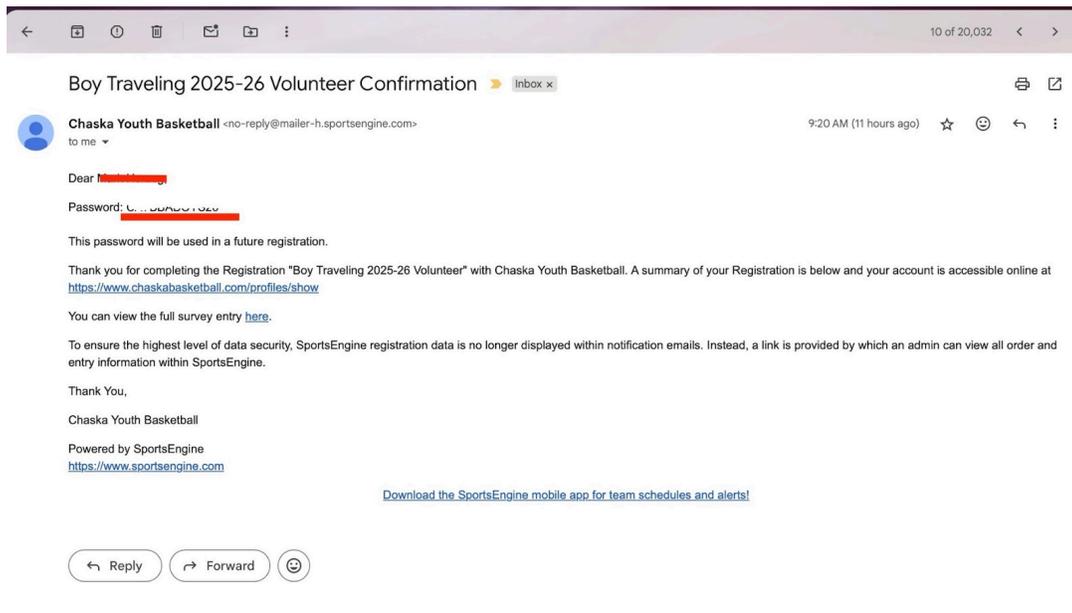

- For the Volunteer Agreement you choose either to buyout (for \$400) or to volunteer for two, three-hour shifts per player during the season. If you choose to volunteer (details in the volunteer policy on this page), click “No” and then acknowledge that not completing the volunteer hours will result in a \$450 charge at the end of the season.

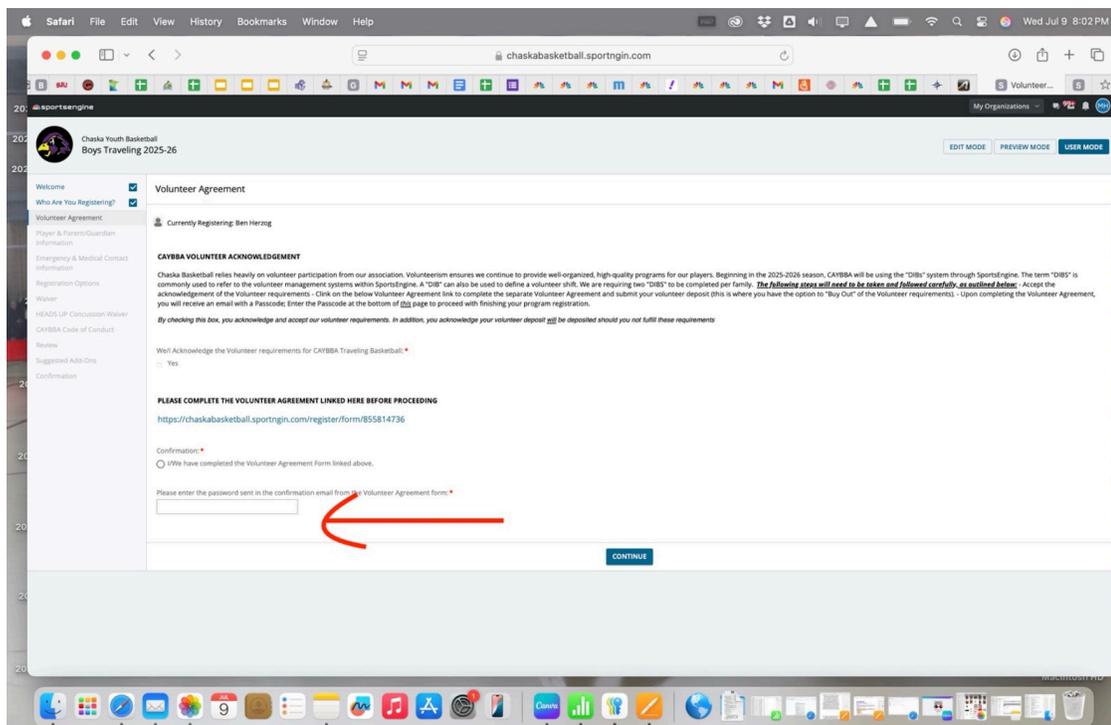

- After completing the volunteer registration, complete the following steps and then choose the \$1.00 fee which goes to the CBA scholarship fund and also enable the payment plan for DIBS for those that do not fulfill on their volunteer requirements. Note: If you know you are not going to fulfill on the volunteer requirements, it is cheaper to buyout for \$400. We structure it this way to encourage those who say they will volunteer to follow through so we can plan accordingly. After this, you will click “proceed to checkout,” enter your credit card details, and complete this part of the registration.

7. Check your email. You will receive an email with a password that you will need to copy and use into the next part of the registration process.

8. Go back to the registration page for your boy, enter the password you received in email at the bottom of the Volunteer Agreement section into the box (marked with the red arrow in the picture below) and click continue.

9. Go through the subsequent steps to add player and parent information, choose the grade, agree to the waivers and policies and then check out.
10. You are registered!
