Deadline for Submission is JUNE 1,2022
(Example on page 2)

Section Requesting to be changed as currently written in handbook:

New Proposal Wording with changes in red:

Reason for recommended change:

EXAMPLE

Section Requesting to be changed as currently written in handbook:

Section 3.02 League Structure

(a) Season. Each year, the Board of Directors shall determine the structure of the League, the number of League games to be played, the length of the season, the number and structure of the playoff season games/tournaments, and the starting date for practices and league games and announce such decisions at August board meeting.

New Proposal Wording with changes in red:

Section 3.02 League Structure

(a) Season. Each year, the Board of Directors shall determine the structure of the League, the number of League games to be played, the length of the season, the number and structure of the playoff season games/tournaments, and the starting date for practices and league games and announce such decisions at **May** board meeting.

Reason for recommended change:

Allow GNASH Scheduler time to produce schedule to teams and rink well in advance of season start.
