Dear CCM/MN Hockey HP 15 Hockey Participant,

On behalf of Minnesota Hockey, we wish to thank you for your participation in the 2021 CCM High Performance 15 Spring Hockey Festival held at Fogerty Arena.

There have been many comments from festival staff members that not only was this one of the most successful festivals, it was definitely very competitive. Because of the competition it was extremely difficult to make the selection of players that have been invited to attend the 2021 CCM Minnesota Hockey High Performance 15 Summer Festival in St. Cloud. Unfortunately, you were not named to that group. However, we hope that you enjoyed a positive experience and will use it as an opportunity to learn.

Please remember that next year you will be eligible for consideration in the CCM Minnesota Hockey High Performance 16 Program. Historically there has been considerable turnover, often around 50% for the advanced phases, among players each season so we encourage you to use this as motivation, continue working hard and striving to be the very best that you can be.

We wish you the very best of luck in the future, in the classroom, on the ice, and in your life as you move forward.

Respectfully,

Cheryl Mechelke
