I. Caitlin Hofstetter-Tregoning and Bethany Bolling:

- A. Registration has been submitted to Sports Engine and it came back as a mess. Send in the corrections and wait for the revised correct version, we will go live with it.
- B. We talked about the first 30 days at a discount and Bethany picked July 1st to have registration go up the \$50 discount

- C. Financial aid will have a new form online once we have registration up and running and a new form. All that information will go out before registration goes live. Financial aid will need to be filled out prior to the parent registering their player. There is a total amount of \$800 for financial aid. We are dealing with a limited amount and our goal is to increase the aid.

II. Caitlin Hofstetter-Tregoning and Bethany Bolling

A. Jerseys

1. Decisions need to be made with jerseys

- a) Are we going with sublimation jerseys or go back to sweater/stock jerseys? Two companies we have are W Team Sales and Zamar who have sent in bids. **VOTE: Scott B motions for Sweater/Stock Kim B 2nd motion carries 2023-2024 Sweater/Stock Jerseys VOTE: Ashley B. motions for ZAMAR printing Scott B. 2nd motion carries 2023-20024 ZAMAR company will be our official jerseys, customer service, and fan gear**

(1) W TEAM SALES: Sublimated jerseys one dark, one light, 2 stocks, \$160 per player. Issues with sublimated, 4-5 weeks to the date it is submitted to the factory, as we found out last year it went to 8-10 jerseys. we don't have all our players, we don't know who our players are and our 8u misses out. Kevin at W Team Sales gave a quote for sweater/stock jersey, St Louis blues colors Bears on front, player name & number on back, and one number on the sleeve and 2 stocks \$130. He would NOT come out to fit and do the store online for fan gear. Slight drawback with Stock/Sweater jerseys they may be discontinued in a year or two. We would have to wait until they get the stock back into inventory. If we order garment bags they are \$32, this would be optional for the player

(2) ZAMAR: Sublimated jersey, we would need to redesign the jersey since we already ordered through W Team Sales and they have the copyright for last season's jersey. Suzanne did not have a price yet until we decided to change the design. If we go to a sweater/stock jersey & 2 nylon of socks \$200 logo on front, name & number on back, number on front and sleeve shoulder. Suzanne will come to all 3 evaluations to fit each player's jerseys and numbers. She will bring the jerseys to the Ice Haus once they are ready. She will also be willing to do fan gear, she will do an online store and do a pop up shop for at least one home game for every team. At this point for prices, Suzanne is looking at a couple of companies in regards to the Garment Bags.
