

## **Mission Ridge Ski Education Foundation Board Minutes**

**Tuesday, July 8, 2025**

### **Zoom Meeting**

**Attendees:** Amanda Viebrock (President), Chip McElearney (Secretary), John Barnett, Heather Neff, Boomer Vuori, Roger Taggart (Executive Director).

Meeting called to order at 5:16 PM.

#### **Overview**

The meeting began with approval of the previous board minutes and financial information. Libby had to miss the meeting at the last minute due to a family medical issue. The team has new storage containers ready to be placed on the mountain and summer athlete training was going well with one camp complete and another occurring soon. The conversation ended with updates on the upcoming auction event.

#### **Action Items**

- Boomer to investigate painting the shipping containers and arranging a work party if necessary.
- Heather to see that auction messages about tickets and donations go out soon.

#### **Outline**

##### Meeting Minutes and Financial Review

- The meeting was called to order by Amanda at 5:16 PM. The minutes and financial statements were approved without opposition.

##### Equipment, Camps, and Operations Update

- Roger discussed the new shipping containers for team storage on the mountain. There are two which, along with eco blocks, will be moved up higher on the mountain this summer from the parking lot. The containers should be painted a darker color either beforehand or once they are in place.
- Roger mentioned that after a crowded early GS camp experience at Mt. Hood (all boys) and a successful Girls camp at Bend, the team is considering going to Bend for next year's early camp instead for an overall better experience. The team SL camp is coming up with under a dozen athletes expected to attend.

##### Auction Event Planning Updates

- Roger discussed how the auction menu proposals were sent to Heather and food service for the event may this year have a prime rib and turkey carving station at similar cost to last year. Staff is working on collecting live auction items and planning is moving along well.
- Heather reported that she is preparing to send out a round of email messages to families and interested parties about donating auction items, sponsoring the auction, and buying tickets. She is meeting with staff this week about auction items.

Meeting concluded at 5:31 PM.

Next meeting to occur on August 12, 2025 at 5:15 PM.
