

Rosemount High School Girls Hockey Team

2020-2021 Season - Frequently Asked Questions

Welcome to Rosemount High School Girls Hockey! As the Blue Line Club, we aim to provide support to the girls and their families throughout the season. The BLC is made up of hockey parents -- so we get it. We know what it takes to support your daughter during the hockey season and our goal is to help the team be successful.

Because of COVID-19, a lot of things about this season will be different. We still don't know a lot yet including when the season will start and the duration. This FAQ is meant to be an introduction to some of the team events, volunteer requirements, and fees that each player and family are responsible for. Additional information will be shared at the October player/parent meeting, which everyone should attend (via Zoom).

Important Dates

Captains Practice Begins: September 8th 845-945PM at RCC

Caring for Equipment

The girls are responsible for their equipment during the season. Equipment should be cleaned regularly and the bags should be kept clean and organized.

Fundraising

Fundraising events occur throughout the year and provide the families with opportunities to earn money for the club and to help defray season costs.

Girls Expectations: Each girl must participate in 3 of the 5 fundraisers.

Fundraisers

As with a lot of things this fall, we are *hoping* that we can do the following fundraising activities:

1. Car Wash
2. Program Ads

3. Carbones Meat Raffle
4. Heggies Pizza
5. Direct donations

Carbones Meat Raffle Requirement

Each family **must** sign up for two Meat Raffle sessions at Carbones. The money we make from the Meat Raffle represents a significant portion of our fundraising dollars and it's important that each session is filled. These sessions are Saturdays at 5pm at the Carbones in Rosemount. You must be 18 years old or older to do this. You can sign up as a couple to get your requirement done in one night or you can sign up for 2 different weekends, up to you. It's very straightforward and fun to do.

Buyout Option: If you cannot fulfill your 2 meat raffle sessions, you need to pay the buyout fee of \$150.

Volunteering

Volunteering opportunities are available throughout the season and provide a great way for the team to give back to our community.

Volunteering Opportunities

Like a lot of things right now, we aren't sure what volunteer opportunities we will have this year. Past years have included:

- Reading at Rosemount Elementary School
- Skate with the Irish (not this year)
- Food Donations

- Team Meals/Chocolate Milk
- Teacher Appreciation
