- Talk with Sportsline about reopening the early bird window, as many families did not have a chance to order within that first 5 day window. Discount pricing is open until September 24th.
- Centennial Day 9/30
 - Food Trucks: Taco Truck
 - Rick will sell apparel, there will be an earring vendor, and drinkware vendor.
 - Image signing will be making field signs
 - Something for next year? How can we rally volunteers to help have a snack booth throughout the day
- League Issues 7th and 8th grade
 - Communication has been tough with families being notified about when their games will be. Games have also been changing at the last minute, and that is hard on families.
 - Dave with communicating with John on how to make it better going forward
- Bleacher goal post updates:
 - Concrete will be poured on the home side of the field. We will be adding bleachers next summer. Considering adding concrete on both sides of the field. Looking into pricing/options.
- Coaches EOY Celebration
 - Nov. 8 at Trappers
- 2024 weight process
 - 4th/5th/6th grade need to be reweighed in August if they are within 5 pounds of the weight that is too heavy to run the ball.
 - Association will provide red rolls of tape to coaches to put helmets
 - When official rosters are sent out, we will indicate who the players are that should have red stripes on their helmets
- Racial Comments
 - Board members will talk to coaches at the beginning of the year on how to handle these comments throughout the year
- Youth Night was a success!!
 - Consider having cones and ropes for tunnel at the end of the field
 - Consider meeting on the tennis courts next year to line up, and then walking across the parking lot to enter the field after the opposing team has gotten off.
- On the EOY Survey ask families if they are interested in participating in playing at US Bank Stadium next year; knowing there will be a cost that varies per team.
- City of Lino is open to us using their fields if needed—consider for next year
- Next meeting is October 16th
