The IRONMAN 70.3 Team would like to thank you in advance for your display of hospitality during the 2024 IRONMAN 70.3 Musselman. On Sunday, July 14, athletes will be visiting your city to test their physical and mental limits. They will be racing throughout your community completing a 1.2-mile swim, a 56-mile bike and a 13.1-mile run in succession. The routes were chosen to highlight the various areas that we feel fully showcase the unique setting of Geneva. We ask for your cooperation and understanding on race day as you travel around town. Please proceed with caution and allow for additional travel time to your destination. We appreciate your support and hope to see you out there!
