- 2. Add A Photo For Roster and Player Card.**
 - All players are required to have a photo ID on our roster and their player card.
 - Make sure you are in your child's account and not your personal account
 - This is a very quick process and is outlined in the link [HERE](#).
- 3. Add Proof of Birth.**
 - Each player is required to upload proof of birth information to verify the age level that they are playing at.
