

Sandpoint Nordic Club

Issue 49 | Summer 2023

SUMMER FUN!

Summer is in full swing here in Sandpoint and you, our members, have been enjoying every minute of it!

Paddleboarding, boating, biking, hiking, running, huckleberry picking (if you know where to go!). You name it, we've all been doing it! And while it's hard to believe it's already August, there's still lots of summer left and we have a lot of great opportunities to see one another, share summer fun, and support our Nordic club and our partner organizations!

Read on to find out more and see what others have been up to!
