ATFBC Family Volunteer Standards

Our vision is to make the Arcadia Titans Football Program a championship level program. In order to see that vision reached, we all must come together as a football family. It takes a total team effort to make our organization run.

Every Titans Football family is required to sign up for two volunteer opportunities for the 2023 football season. (Two volunteer shifts per family.)

Volunteer opportunities:

Titans Grille – The Titans Grille is open for every home football game. Volunteers will need to report to the Titans Grille 45 minutes before the kick-off of the game. Depending on the game you will be working with 4-8 other parents and 4-6 student volunteers. Everything is set-up for you and the snack bar pretty much runs itself. Parents run the iPad POS system and handle the cash, the students run the orders to the customers. Expect to stay until the game is over. It is expected parents would volunteer for home games their athlete is not playing in, ie. Varsity parents at Freshmen and JV games; Freshmen and JV parents at Varsity games.

Chain Gang – This is the best seat in the house. Get the excitement of being up close and personal to the action. Each game the program needs 3 chain gang volunteers. You do not have to have experience with this to volunteer. Once you have been on the chain gang, you'll want to do it again. Chain Gang volunteers need to report to the football field 30 minutes before kick-off. Please wear comfortable, athletic shoes. Expect to stay until the game is over.

Game Day Lunches – All three levels of players get fed a full meal before each game. This is a fun way to connect with the teams and help get them energized for the upcoming battle. Game day lunch volunteers will need to commit about 2 hours mid-afternoon to help the Game Day Lunch Chair set up and serve the players & coaches. Most of the time these meals are served between 2pm and 4pm.

**** Parents will sign up to volunteer on the Volunteer spot website****
The link can be found at Arcadiatitansfootball.com.

The volunteer sign-up portal is open and will close on August 7th. All parents (families) must be signed up for their 2 volunteer opportunities by the August 7th Deadline.**

How much does it cost to be a championship level program?

The ATFBC and Coaches are committed to building a championship level program here at Arcadia High School!

The last thing we want is for any parent to get caught off guard by the costs of playing high school football. We all know when our kids were younger and we signed them up for youth sports it cost us parents some out of pocket money. Many of those youth leagues cost several \$100s of dollars once you add up the registration, fees, uniforms and other needed items. It's no different with high school football, but there are many other costs.

The SUSD provides the program with the field for our practices and games, uniforms and helmets but that's about it. On an annual basis the ATFBC's operating budget for day-to-day fixed operating costs is around \$75,000. That's not including any of the capital improvements we try to complete each year to help grow our program.

Below are some cost estimates that we all should plan for:

\$150	SUSD Summer Camp Fee: \$100 for Session 1 - May/June, \$50 for Session 2 - July
\$150	SUSD Athletic Participation Fee: School district fee that does not stay with the Program.
\$350	Titans NAU Summer Camp*: All three levels will attend. Includes transportation, meals & lodging. (Camp fee included w/ Platinum and Legacy memberships)
\$75	Summer Uniform Fee*: Includes branded Titans workout gear.
\$20+	Titans Grille Donations*: All donations are sold for 4 times the profit. Huge money earner for our program.
\$670	Average minimum per player: All costs can be paid for with cash or credit card via the ATFBC website.

Additional Fees:

\$60 - \$200	Cleats & Gear: Cleats, compression gear and additional equipment wanted by player.
\$200 - \$2,500	ATFBC Membership: All levels of membership have a component of donation to the program (needed to help offset the costs of running the program).
\$40+	Program Events: OHSO Kickoff and the End of the Year Banquet.

**Please contact Coach Brown if you need assistance with any fees.*

Titans Grille Donation Week

July 24, 2023 through July 27, 2023

It is important for us as a program to make this a very successful week. Every item donated to the Titans grille can be resold for pure profit. Every \$20 donation can be resold for over \$100 worth of funds for the football program. During this week, players will be required to bring their assigned donation to practice. The donations should be turned in to the Titans Grille before practice starts or parents can drop off to a volunteer at the grille.

Donation Responsibilities:

Incoming Freshman: **3 cases** of Coke or Diet Coke

Sophomores: **3 cases** of Sprite or Dr. Pepper

Juniors: **2 Cases** of Gatorade (must be 20oz bottle)

Seniors: **2 Cases** of Gatorade (must be 20oz bottle)

If the player is unable to bring in the required product they may turn in a \$20 donation and the Titans Grille Chair will use that money to purchase product. Parents are encouraged to start stocking up on these items when you go to the store. These donation amounts are only a minimum. The more we get donated as a program the easier it will be to fund our success. Thank you for taking the time to plan ahead and make this week a wonderful experience.

Game Day Meal Donation Sponsors

Feeding our players on game day is an essential part of our routine to get them ready for competition, both mentally and physically. We heavily rely on local and community businesses to donate either full, healthy balanced meals or portions of meals for our Freshmen team on Wednesday afternoon, Junior Varsity team on Thursday afternoon and Varsity team on Friday afternoon. To show our appreciation to these generous businesses, we will display their logo on our website, send shout outs at home games, post ads on social media for their sponsor week, logo placed on sponsorship banner at the stadium and display ad in the season football program.

1

Acknowledgement on the Titans website

2

Social Media ad the week of your sponsorship.

3

Logo on sponsor banner for 2023-2024 Football Season

4

Ad in Football program distributed to Titans Fans at home games.

5

Shout Out by announcer at Titans home game that week.
