RE: Bill Prest Community Service Award

Skyhawks football club nominates Jacoby Dillon for the the Bill Prest Community Service Award.

Jacoby has a big heart! For the past 4 years while playing Varsity, High School and now Junior football, Jacoby has been volunteering his time running and coaching our adaptive/special needs football program in our community. Every Monday night in the fall you will find Coach Jacoby on the field encouraging, supporting, making every athlete feel like a star!

His commitment to our adaptive community has been incredible. Jacoby's passion to make sure everyone feels accepted, loved, no matter what their disability is truly inspiring. Living in the days of making sport more inclusive, Jacoby has become a champion for this cause finding ways to grow and expand the sport to everyone.

With a busy schedule between practices, work and school most young people would say they are to busy, but not Jacoby. His dedication and commitment to this group continues to grow with each passing year!

As an organization we are so proud of what he is doing for our community. As a parent of a special needs child words can never express the gratitude we feel. His impact has been life changing and our only hope is that he will continue to do this for years to come!

Sincerely,

Peter Gabriel
President - Skyhawks Football Club
