Dear Potential Sponsor,

Moorpark Musketeers Youth Football and Cheer is a non-profit organization for children ages 6 to 14. Each year our program has 6 divisions of football *and* cheer, with more than 200 participants from Moorpark and the surrounding communities. We are part of the Gold Coast Youth Football League, which has 21 chapters and covers a large geographical area including Ventura, Santa Barbara and LA County.

We are committed to providing a safe and positive environment for our athletes. Our mission is to teach young players the skills needed to be successful both on and off the field. Your donation contributes to our top of the line safety equipment, use of quality local facilities, and scholarships for families in need.

The MMYFC community is deeply rooted in the support of local businesses, our school system, and youth programs. With your help, we are committed to making this program the best it has ever been.

We greatly appreciate your consideration of becoming a Sponsor for our 2025 Football Season. With our annual registration numbers breaking new records each year, your support will be greatly appreciated by our families, participants, and fans! Email board@moorparkyouthfootball.com with any questions.

Thank you in advance for your consideration.

Sincerely,

Jimmy Moore
