When Coach Adelman was asked about the highlights of the season so far, he said “Winning the Blue Ox Trophy, the locker room traditions and the season-long 3v3 tournament”. In reference to the players that he started coaching 5 years ago, “It’s been so fun to watch that group of kids I had the first year grow up. All of them are phenomenal young men. Outside of the on-ice stuff that’s probably my biggest highlight.”
