	Report via email. FY ends September 30th. All budgets for prior year and current year were submitted to the team for review. In regards to our current financials, most things look very similar to last year with the exception of baseball income. Looking into 2026 registration and why it wasn't included in the financials. New budget template for the new fiscal year.		
BOC Report			
Presenter	Nick Hansgen		
	The team is evaluating the tryout process for feedback. Record numbers for tryouts. Legion program update. Looking forward to an enhanced partnership. HS program partnership. Looking for additional possibilities for camps and clinics. Approved payment for Fritz field usage for 2026. Three uniform coordinators were identified. Parker Hagman new player development coordinator. Several position openings for board.		
SOC Report			
Presenter	Brett Sween		
	Registration is open for 2026. Numbers are light so far. Hoping for additional registrations. Several openings for board members. Registration included interest in dome ball over the winter option. Numbers looking good for 10U and 12U. Coaches will be HS players. DBat night in November for all softball players.		

	Meeting coming up for 2025 year in review.
Other Topics	
	<p>Sheds have been ordered. The base platforms are set. Sheds should be up by the end of September, but there are still additional items to complete (ie roof, painting).</p> <p>The grant money should be used this fall or next spring. An outside agency was brought in to survey Lake Ann. Everything looks workable, so that's great news. We should have a quote to start working with in the next week so we can see the scope and cost of the potential projects. We could potentially get the dirt fields completed this year, but the infield grass will be next season.</p> <p>Field day is set for October 25th. Dibs should be posted shortly.</p> <p>New background check coming. Lots of coaches will need to get into compliance this year after extension from 2 year to 3 year.</p>
