

SPRING OPEN TEAMS THAT PLAY at COTTAGE GROVE FRIDAY MAY 2 1030 AM - 300 PM

Reaching out to ask for your help and to make sure your teams know what to do on Friday, May 2nd. The High School is undergoing construction starting this week. We were only told this yesterday that this would be happening starting this week so I do apologize for this inconvenience. Buses that park along outside of the Rink entrance will head North, turn around in the North parking lot and then come back past the main entrance of the Ice Arena and head out to 80th street. No through traffic will be able to drive North past the Ice Arena entrance **between 2:30-3:30pm.**

What this means for you and your teams:

- For your 10:30am, 12pm, 1:30pm and 3pm games, parents will only be able to drop off their players and fans at the front entrance. **We ask that all cars then leave the Ice Arena/School property and park on Ideal Ave South or the frontage road on 80th street and walk to the Ice Arena. A picture is attached highlighted where to park.**
- Your 3pm game, please make sure you tell these two teams, to drop off by **2:30pm** and park on Ideal or the frontage road. They will not be able to drive past the main entrance to turn around between 2:30-3:30pm.
- Your 4:30 game, please ask these two teams **NOT** to show up until 3:30pm. At this time, all parking will be available on the Ice Arena and School campus.

The biggest areas of concern for teams to know, is to drop off and park in the two spots highlighted on the attachment and to avoid showing between **2:30-3:30pm.**

Thank you for your cooperation and making sure all teams know this minor inconvenience and to make it a pleasant experience for all.

If you have any questions, please let me know and I will try to help answer.
